My dear Sir Arthur,

I found that you were in the
West when I was in Montreal
Saturday. I hoped to have had
the pleasure of calling on you
and paying my respects.

I had not seen McGill for
twenty years. The development
of plant and grounds is re-
markable. It is a great thrill
in order both to the University
and Canada. May we not expect
you to come to Kentucky soon?
Very sincerely
Frank L. Kervey
