

McGILL UNIVERSITY  
MONTREAL

FACULTY OF LAW  
OFFICE OF THE DEAN

May 23<sup>rd</sup>, 1924

PERSONAL

Sir: Arthur Currie, G.C.M.G., K.C.B.,  
Principal and Vice-Chancellor,  
McGill University,

Dear Sir:-

I am in receipt of your letter of the 21st. instant. May I venture to remind you that my increase of salary began on the first of October, and that consequently my year's engagement finished on the thirty-first of September? When one is forced to begin all over again, at a time when business is exceedingly dull, and good openings few, a month's salary is not a small matter.

As soon as I can make arrangements, I shall vacate ~~the~~ <sup>my</sup> present office, so that it will be available for my successor.

May I say also in closing that I leave my work at McGill with no sense of defeat or failure in my mind. During the four years that I have served the institution I have the satisfaction of knowing that I never entered a class-room poorly prepared, nor left it without feeling that I had done my utmost to pass on to those who listened to me the very best knowledge and skill in law that I possessed. The relations which I have formed with my students and with the majority of the members of the teaching staff of the Faculty will always remain with me as an asset that will endure far longer than any material
