

FRUIT MARKET WAS ACTIVE YESTERDAY

Good Apples Are Still Scarce and Command the Top Prices.

PLUMS, PEACHES, FIRM

Tomatoes Remained Stationary, With Cucumbers Scarce—More Grapes in.

There was a heavy fairly active market again yesterday, with especially large shipments of peaches, plums, pears and cantaloupes.

Choice quality apples are still scarce and high-priced, but they were slightly lower than on Thursday, as few buyers can afford the high price; the common quality sold at from 30c to 35c per 11-quart basket, with the choice going at from 50c to 55c, the No. 1 Duchess bringing 44 per box.

Thimbleberries are becoming scarce, but are of such poor quality they are difficult to dispose of at 7c and 8c per box.

Plums remained about stationary in price, the 11-quart flats selling at 30c to 35c, and lemons at 30c to 35c, with some extra choice ones bringing 35c.

Peaches rarely brought over the 75c per 11-quart basket yesterday, the bulk of 11-quart lemons selling from 30c to 35c, and flats at 50c to 55c, while the 6-quart flats sold at 15c to 20c, and lemons at 30c to 45c.

Pears sold at 40c to 50c for 11-quart flats; the lemons bringing 30c to 40c; a few extra choice Bartlett bringing 55c. Cantaloupes sold at various prices, according to quality, 11's at 30c to 40c, and the 12's at 40c to 50c; some very poor quality only selling at 20c to 25c per 11-quart basket; the cases are very hard to sell as so many of them have been such poor quality.

Tomatoes remained about stationary with Thursday's prices; the 11-quart selling at 15c to 25c, and some choice ones at 30c; the 6-quart selling at about 15c.

Cucumbers have been rather scarce lately, and now bring 25c to 30c per 11-quart.

More grapes came in yesterday, and some were slightly better quality, but even the best of the early ones are poor, the 6-quart selling at 25c to 40c per basket.

Wholesale Fruits.

Apples—25c to 35c per 11-quart basket; extra choice, 50c to 75c; \$3.50 to \$4 per box.

Bananas—\$1.25 to \$1.50 per 11-quart basket.

Apricots—5c per box, 20c and 25c per six-quart basket; 40c 11-quart basket.

Co., 55 East Front street, Dealer in Wool, Tarns, Hides, Calveskins and Sheepskins, Raw Furs, Tallow, etc.

Lambkins and pelts, \$4.00 to \$9.00.

THE FRUIT TRAIN

Did you know there was such a thing as a fruit train? Neither did I until Mr. Gabel, Inspector of the Fruit Branch of the Department of Agriculture, told me of it and offered to take me with him on one of its trips. We left St. Catharines early in the afternoon, after taking on some peaches, early apples, tomatoes and berries. We stopped at all the stations in the Garden of Canada, from Jordan to Burlington, gathering carloads of delicious, luscious fruits to be taken to fruit-hungry people in all parts of the country.

The Inspector was everywhere, with his little hammer, opening baskets and boxes to see that the fruit was not "overfaced," or, in other words, that the big ones were not on top, and all the rest little ones. At Vineland we were joined by Mr. Clement, who has charge of the Ontario Government Experimental Farm at Vineland. His business is to produce new varieties and make experiments that the commercial grower cannot afford to spend the time nor money in making. The knowledge gained by much hard work and watchful waiting is passed on to the growers for their profit. With producer and the Dominion Government to protect the consumer, the system, to an ordinary observer, seems perfect.

The Fruit Train makes its trip every day during the fruit season. It is run by the Canadian Express Company, and Mr. Hickey, Express Superintendent, is on hand to see that the packages are carefully handled, so that the "ultimate consumer" shall get one hundred cents' worth of fresh, undamaged fruit for his dollar.

Sheepskins, 1.50 to 2.00
City hides, flat, 0.15 to 0.18
Country hides, cured, 0.15 to 0.18
Calfskins, part cured, 0.16 to 0.17
Kip skins, part cured, 0.18 to 0.19
Horsehair, per lb., 0.35 to 0.40
Horsehair, per lb., 0.35 to 0.40
Tallow, No. 1, per lb., 0.055 to 0.07
Wool, washed, fine, lb., 0.40 to 0.45
Wool, combed, 0.35 to 0.40
Wool, unwashed, coarse, 0.25 to 0.30
Rejection, 0.25 to 0.30

STOCK YARDS RECEIPTS.

The total receipts at the City and Union Stock Yards for the past week were:

	City.	Union.	Total.
Cattle	100	4280	4380
Hogs	1544	4878	6422
Kip	1282	602	1884
Calves	40	958	998
Horses	16	4869	4885
Sheep	174	1087	1261
Horses	498	573	1071

The combined receipts of live stock at the two markets for the week ended an increase of 2804 horses, but a decrease of 1 car, 2413 cattle, 6148 hogs, 1521 sheep and 223 calves.

NO NEED FOR SEWAGE DODDS, SAYS ENGINEER

G. W. Fuller, New York Expert, Addressed Academy of Medicine.

That there was no need for sewage odors was the statement made by G. W. Fuller, consulting sanitary engineer of New York, in addressing the opening session of the fourth annual congress of the Canadian Association of Medicine Association at the Academy of Medicine yesterday. He read a paper on "The Sanitary Methods of Sewage Disposal." He told of the "sanitary disposal system," which consists in blowing air thru sewage sludge for a month or two until the sludge in the presence of oxygen has developed on its surface certain bacteria which organic matters. At Milwaukee a plan has proved a decided success so far, Mr. Fuller remarked that the disposal of odors in regard to sewage treatment was simply one of proper treatment.

Sir James Grant of Ottawa gave an address on "Inebriation and Prevention." He is over 80 years of age. He has written several books on how to live to be a hundred.

Capt. F. E. Dailyn of the provincial board of health told how water could be purified for military purposes by the use of violet rays.

The afternoon session was held at the Toronto General Hospital. It was devoted to a discussion of the education, cure and immigration of the feeble-minded. Dr. M. C. Seymour, president of the Canadian Association of Medicine, presided. The chief paper was read by Dr. J. P. Page of Quebec, in which he discussed the "general efficiency of the Dominion's inspection of immigrants." It resulted, he said, in large numbers of feeble-minded people gaining admittance to Canada, and would lead to a general scattering throughout Canada of germs from the insane and the diseased.

Other speakers were Dr. C. C. Clark, Dr. O. C. J. Withrow, Dr. C. M. Hinkley, and Dr. Helen MacMurchy. Among the officers and members at the congress are: Dr. S. Duran, Dr. J. E. Atkinson, Dr. J. E. Hastings, Adam Wright, J. O. McCarthy, Dr. H. P. Atkins, president of Academy of Medicine, Ottawa; Dr. J. J. Norman, Edmonton; Dr. W. T. J. McCulloch, Winnipeg; Dr. J. E. Seymour, Montreal; Dr. G. W. Fuller, New York.

THOUSAND CHRISTIANS KILLED AT URUMIAH

Four Thousand Others Died of Disease—Property Loss of Large.

NEW YORK, Sept. 3.—At least 1000 Christians were killed and about 4000 others died of disease in Urumiah, Persia, during the five months of Turkish occupation, according to letters received by J. L. Caldwell, American minister at Tehran, from the Presbyterian Board of Foreign Missions. He said the total loss to Christians had been \$2,000,000.

FRENCH AVIATORS SINGLE OUT SUBS.

Official Report Shows Bird-men Are Busy in Many War Theatres.

GIVE AID IN EGYPT

Flyers Help to Defend Suez Canal From Turk Attacks.

PARIS, Sept. 3.—The French ministry of marine gave out today a note outlining the operations of the naval aeroplane squadron since the opening of hostilities. "The marine aviation service has made continual progress, showing marked development from day to day," the note says.

"It has operated only in France, but in Egypt, where it assisted in the defence of the Suez Canal; on the Syrian coast, where it acted effectively in the blockade operations, and in the Adriatic, taking active part in actions in the Gulf of Trieste.

Their particular objective has been destruction of the enemy's submarines, also bombardment of the enemy's commissary bases at Bruges, Zebrugge, and Ostend, and apprehension or destruction of Zeppelins.

"Last week, notwithstanding heavy artillery fire and the glare of rockets, our aviators dropped during the night more than three hundred 90-millimeter bombs on German naval bases along the Belgian coast, besides taking an effective part in the bombardment of Monthuist forest on August 25. All the machines returned, although several of them were damaged severely.

"In Egypt and Syria and at Venice our hydro-aeroplanes have shown great activity. They have been used recently with Austrian hydro-aeroplanes, which were put to flight. One of them was pursued as far as Pola by a French machine."

BRITISH TRANSPORT VICTIM OF MINE?

Vague Report, Via Berlin, Says Loss of Life Was Heavy.

BERLIN, Sept. 3 (by wireless to Sayville).—"Telegrams from Sofia," says the Overseas News Agency today, "state that off the entrance to the Dardanelles a British transport struck a mine and sank, with 320 officers, 1250 soldiers and 300 members of the crew, all of whom were drowned. Six hundred bodies were recovered."

The British Government officially announced today that the British transport Royal Edward had been sunk on Saturday, August 11, in the Aegean Sea by a German submarine. The number of troops on board was given as 1350, with 220 officers and men of the crew, and it was stated that all were saved.

In the absence of a date for the return of the transport reported through the Dardanelles, it is uncertain whether this refers to the sinking of the Royal Edward, or to the loss of another transport by the British.

KELLY SOON TO FACE EXTRADITABLE CHARGES

Theft and Perjury to Be Included in List of Accusations.

WINNIPEG, Sept. 3.—The Free Press this afternoon states that extraditable charges may be laid in the near future against Thomas Kelly, in connection with the patman building affairs, and suggests that Kelly and obtaining money by false pretences as charges most likely to be laid.

It is announced that work will be resumed on the Manitoba Parliament building next Tuesday, when James McDermid Company has the contract, and it is proceeding with the work for the balance of the season at their own expense.

Special Train Service From Toronto, Exhibition Grounds and Parkdale, for Exhibition Visitors.

For the convenience of visitors returning from the Canada's Greatest Fair, the Grand Trunk Railway System will operate special train service as follows:

Further particulars may be obtained at city ticket office, northwest corner King and Yonge streets, phone Main 4209.

ATTEMPT TO ESCAPE BY TEUTON PRISONER

Hospital Chief Mitchell at Kingston Hauled German Back to Dures.

SPECIAL TO THE TORONTO WORLD.

KINGSTON, Sept. 3.—Jumping out of the second story window of the military hospital, a German prisoner named Brubacher made his escape, but his liberty only lasted an hour, for he was rounded up by Chief of the Hospital W. Mitchell.

Mitchell, sitting on his doorstep, was surprised to see the German prisoner walk by his house. He immediately stopped him. The German is 6 feet tall and weighs 160 pounds. Mitchell is short and of light build. Immediately there was a tussle, but Mitchell stuck to his man and led him back to the hospital.

Writing to his father, James McDermid, P. O. Box 316, Montreal, in the morning, the German said he was in the firing line in France, says the Canadian Press.

The marriage of the German to a daughter of John Kidston, of Vernon, Man., to Lieut. Michael McGuire, of the Canadian Mounted Rifles.
