C. Nov. 15.—The
renewed and strength-

not be deferred beyond
conclusion has been
the Spanish Govern-
ment management, and then called upon
Mrs. O'Connor to speak on behalf of the
High School Board.

Mr. O'Connor said she had come to the
meeting to learn the Public School Board's
reason for wishing to amalgamate, and that
if she should say anything it would be
after she had learned their reasons.

Cost a Reason.
Dr. Noble said that, in his opinion, the
overlapping of subjects was a reason enough
for amalgamation, besides, a pupil in the
collegiate institute now costs as much
for education as in the Public School.
He also proposed to have physics, chem-
istry, botany and biology taught in the
Public School.

Mr. Baird thought that the fact that
the ladies could be represented should be
a very strong reason for amalgamation.
He thought that unity of purpose and
method would also be furthered by such
a step.

Curriculum Unsuitable.
Mr. Hastings said that some time ago
the city had been loaded up with High
Schools, and this explained why it was so
expensive to educate a High School pupil.
The whole educational problem, he said,
would have to be dealt with, as the pre-
sents were suited for a period far dif-
ferent from the present.

Mr. McPherson and Dr. Ferguson both
spoke on the advantages and disadvantages
of amalgamation, as was shown by the ex-
perience of other cities.

Down to Business.
Mr. Hastings then moved, seconded by
Mr. Starr, that a sub-committee, made up
of two persons from the High School Board,
two from the Public School Board and two
from the City Council, be appointed to lay
the matter before for special legislation.
The motion was carried, and after considerable
wrangling as to who should name the com-
mittee, the following were appointed: For the
High School Board, E. F. Clarke, M. P.,
and Dr. Ferguson; for the Public School Board,
R. S. Baird and H. W. McPherson; for the
City Council, Ald. Davies and Sheppard.

That Coffee

which we sell for 45c

much as most "best" coffees
are sold for.

We know this and we are
constantly doing just what
you do, trying to get a
coffee "as good as Michie's"
for less money.

You do it for the same
reason that we do—and you
don't succeed for the same
reason that we don't—at
present it is not to be

Hon. G. W. Ross to Be Asked to
Legislate Re Amalgamation
of School Boards.

The conference on the amalgamation
of the School Boards was held yesterday
afternoon in the Council chamber of the City
Hall. Ald. Davies presided and Ald. Lymn,
Hubbard and Sheppard represented the
City Council. The representatives of the
High School Board were Messrs. W. Ross,
Dr. Elliott, Thomas Hastings, Dr. Fergu-
son, W. Taylor, E. F. Clarke, M. P.; J. W.
Malton, W. J. Hamby, Mr. Dr. O'Connor

Dr. Buck, Messrs. J. R. L. Starr, W. W.
Holmes, L. A. Jones, R. S. Baird, J.
Douglas, J. C. Clarke, W. H. Morgan, R. U.
McPherson.

When Congregated.
Ald. Davies explained that the object of
the meeting was to try and discover some
more efficient and less expensive system of
school management, and then called upon
Mrs. O'Connor to speak on behalf of the
