MILLER IN THE LEAD.

Gimm Second and Slated to Soon Take First Place—Pierce Only Sixth.

San Francisco, Feb. 17.—At the end of the 67th hour thirteen riders still remain in the international six-day bicycle race. Gimm's lead over Miller and the field has been reduced slightly. He is now 32 miles in front of Miller, but is riding strong. In the 68th hour, when 24 miles to the good, Gimm left the track for an hour's sleep. On returning he took the initiative, and started a gallop for Miller. The Californian followed and tried to run away. Gimm trailed, the game he had worked so persistently since the start of the race. Pierce, in the 67th hour, started a lively sprint. Gimm trailed the Californian, and Miller and another hard chaser. Then Miller left the track for a rest. He claims that team work is being done against him. The recovery of Pierce came as a surprise to many, who had thought him out of the race. Aronson is doing good work. Fredericks is gaining form. The riders are all in splendid shape.

The score at the 67th hour, compared with the record of 1002 miles 737 yards made by Miller, is as follows: Gimm 1583.7, Miller 1171.3, Fredericks 1123.8, Aronson 1123.2, Hale 1022.2, Pierce 983.2, Nawn 1076.6, Albert 1033.7, Barnaby 1033.5, Piddington 968, Lawson 970.2, Ashinger 923.3, Johns 883.7.

CRESCENT A. C.'S 40 ROUNDS.

Evenly-Matched Boxing Bouts for Next Saturday Night's Show.

The Crescent A.C.'s boxing bill for next Saturday night promises to be the best of the season, though 40 rounds seem a long game for one entertainment. The club gave the show to try out its three champions.

Andy Ward promptly accepted his match, although Joe Youngs is an old campaigner, with a long string of victories, and their 15 rounds should prove a hard and fast fight, especially as the winner is to be matched with Jim Popp.

Ed, Lenny, who meets Luke Burke, is one of the best of his class in the business. Jimmy Dougherty, who trained Jack Bennett for his bout with Kerwin, is Lenny's manager, and is confident that his boy will beat Burke. A lot of Philadelphia money will be here to bet against Burke. General satisfaction is felt over this match, as the pair are well together, clever and hard hitters. Barry may not take on Jesse, in which case Lenny and Burke will go 20 rounds.

Baseball Brevities.

Eight men on the Boston team receive the salary limit or more. Tenny, Lowe, Lonz, Gollins, Bergen and Hamilton get \$2400, Captain Duffy \$2750 and Nichols \$3000. And still they say Worcester is not a Hub farm.

Billy Cramer will probably be a member of Buffalo's Western League team this year. This announcement by President Franklin will be received with delight by the local fans, with whom "Derby Day" has always been popular. He is the best pitcher they had won twice previously. Dr. Harry of Kingston refereed the game in a highly satisfactory manner.

Belleville's Corby Cup.

Belleville, Feb. 17.—The final game in the Quinte Hockey League, which decides the league championship and the ownership of the Corby Cup, was played here to-day between the local team and Napanee. A very fast and exciting game the home team won by 8 goals to 6. This gives them the ownership of the Corby Cup, which they had won twice previously. Dr. Harry of Kingston refereed the game in a highly satisfactory manner.
