TREATMENT OF THE JUDGES.

The Attorney-General Gibson really thinks that the judges' report is a judgment, he has good ground of com-plaint against Premier Ross, who gave up the Attorney-General's con-the complete innocence of the accused provide the the termine that that evidence declared conclusively for the guilt or the inno-cence of the accused parties. "The report presented by the commis-sioners, however, not only held that the complete innocence of the accused provide the the termine the the termine the termine the termine the termine the complete innocence of the accused provide the termine the termine the termine the termine termine the complete innocence of the accused provide termine the termine termine the termine termi tention by submitting the report to the legislature for confirmation. We never before heard of a judgment be-ing submitted to the litigants and their friends for confirmation. A judg-

pealed against. The government do that of other witnesses whose stories Manufacturing Company's employes go their actions they declare that the judgment is invalid unless confirmed judgment is invalid unless confirmed by the legislature. They make its interely point out an uncontradictable to Charlotte and Prescott yesterday. fact."

force depend in the last resort, on a partisan majority of four.

WAS IT HOT ENOUGH FOR YOU? Some time ago the question: "Is it & O. Line, is in town today. hot enough for you today?" became Gowan, Kent Co.'s explores Criticism of the report and of the judges is the necessary consequence of this proceeding. The violence of some of the language used in the flesh, and finally the humorists delegislature is shocking to the author vised various cruel and unusual punof the Barabbas comparison, and pre- ishments for all who repeated the sumably to Mr. Ross, who declared formula. Yesterday it seemed to fill Goldwin Amith Comments that the judges' report gave his fo - a long-felt want, and could be uttered lowens at license to abuse Mr. Gamey. with impunity. There had been so But if you submit a report to the many thoroly cheerless days — grey, Begislature, and admit the right of finee criticism, you must expect criticism of all kinds. The discussion was enough to arouse the fighting spirit in Americans settle in our Northwestern Tercarried on, not by angels, and arch- a man-that anything positive would ritories, bringing with them the feeling of angels and all the company of heaven, have been welcome.

ing his own style of discussing public questions. The Globe seems to think that abusive language is something peculiar to the wicked Tories; yet the first man to use language that had to be checked by the Speaker was Mr. Cameron. It was the Premier, too, be, we were all glad of the warmth, who gave the signal for a general and inclined to smile indulgently at onslaught on Mr. Gamey. By going to that belated witticism: "Is it hot the judges' report for his excuse, he enough for you to-day?" dragged the judges under fire more THE VINTAGE OF '93. distinctly than before. Here is what on We regret to observe that som of our Liberal contemporaries are reviv-ing the question of Senate reform, and talking in the old style about the in-stitution being a useless of pense. A body would think, to rear these com-ments, that we were back in the days before 1896. Senate reform is a finish-ed, finite clod, like the declaration that parliament is the outstodian of its own honor. Are these belated writers aware that there is now a Liberal majority in the Senate and a Grit takes his place, the Senate becomes better worth the money that is spent upon it? If this agitation goes or a the government will appoint a We pegret to observe that so an admiring observer. The Fredericton Herald, says of the incident : Mr. M. G. Cameron, a Liberal member of the Ontario legislature. sailed into Gamey in great style in his speech in the debate on the judge's report of the recent enquiry. Mr. Cameron asked if the evidence . Cameron asked if the evider of such a creature as Gamey be effective in consigning livion a young man like livion a young man rise the Pro-vincial Secretary, who had risen from the bottom of the ladder al-most to the top. His accuser, the man who had posed as a patriot, was only a common line. The op-position hoped to attain office by clinging to the skirts of a degen-caste who had last himself onen the Proerate, who had left himself open the government will appoint a to the charges of larceny, perjury goes o and forgery. Mr. St. John raised a. point of order as to whether royal ion of Senators to settle a point of order as to whether such language was permissible. The premier, in response to this alp al for mercy to Gamey, calmly observed that the force and pith DISLOCATED HER THUMB. A the hon. gentleman's words h been embodied in the report of ful Habit Curbed. judges. The Speaker was next a ed to curb Mr. Cameron's effect word painting, and in defe Ingersoll, June 26 .- A peculiar case, said haif cents on the dollar. to the chair the latter . rew the words "common liar" stituted the expres that Gamey's actions promoted the in-ference that he was a common liar. This accepted as parliamentory and Mr. Cameron's stinging casti-ed." Premier Ross thus invited attacks upon the judges es-"calmly" says his admirer; and it is rather absurd now to complain a of Gamey striking back. Why sho ald Gamey be expected to show nore restraint than. Cameron, Ross, and The Globe? and why should he to e expected to spare the judges, withen the venerable leader of the House declared that a general license to abuse Gamey was found in, the Gamey's actions pro ed the into abuse Gamey was found in the WRECKED BY A FIRE BALL. judges' report?

Mayhew, Griffiths v. Hamilton and Blackle Company, Ottawa Electric Com-

v. Mayhew, Griffiths v. Hamilton and Biackie Company, Ottawa Electric Com-pany v. City of Ottawa, Armstrong v. Lancashire Insurance Company, re Grand Trunk Railway Company and Toronto, re North Grey Election. Louis F. Heyd, K.C., appeared before the Master-in-Chambers yesterday and Secured an order setting aside the order made dismissing the action of Mrs. Jennie Quirk against the Ocean Acci-dent and Guarantee Company for the

dent and Guarantee Company for the insurance on the life of the late James Quirk. The necessary bond for security for costs had been filed in Brantford, but the solicitors for the defendant but the solicitors for the defendant company were not aware of it. The time for filing had expired, but it was presented on the day following, and it has been held that such a proceeding is regular if done at any time prior to the making of a motion for the dis-missal of the action.

Henry O'Brien, a laborer, of Sturgeon Falls, borrowed \$200 from Silas P. Cornell, a dentist, in July, 1900, and gave him a mortgage on his property in the town. Afterwards, O'Brien al-leged, he was induced to give Cornell a quit claim deed, because the mortgage, was said to be irregular. He offered to pay back the money when it became

was said to be irregular. He offered to pay back the money when it became due, but Cornell refused to accept it, saying he owned the property. Then suit was brought to declare the deed a mortgage and to have the property re-stored to its proper owner. Mr. Justice Britton tried the case at North Bay, and gave judgment yesterday for O'Brien, with costs. Rev. Solomon Jacobs, rabbi of the Holy Blossom Synagogue, was exam-ined yesterday before the Master-in-Ordinary in the Hyman will case. He said that he had known the deceased miser as Hyman, or Henry Davis, and he had been a frequent attendant at the church. He was a plous Jew. On his deathbed he had given his name as Henry Zolinski, and had said he had a daughter living in San Francisco. Suits Arising From Stocks.

daughter living in San Francisco. Suits Arising From Stocks. A. E. Webb and Company, brokers, issued h writ against A. E. Wallace of the Atlas Loan Company yesterday for \$1715, balance due on dealings in Cana-ling Company stock. n General Electric Company stock.
