

members of the Board, the late Messrs. Robert Wilkes and John Paterson. Mr. Wilkes took a lively interest in the charities of the city, and in none more than in this House. Mr. Paterson, as a member of the Board, represented a third generation, his father and grandfather having formerly been managers of the Institution.

The Managers may refer also to the resignation by Mr. Henry Rowsell, (in consequence of age and infirmity), of the office of Treasurer. With one exception, Mr. Rowsell is the only surviving representative of a meeting held on the 15th of November, 1837, on which occasion was established the corporation now known as the "House of Industry."

The usual returns from the Treasurer, Medical Officer, and Superintendent are herewith submitted.

The Managers have much pleasure in acknowledging the faithful and efficient services of the Superintendent and Matron, Mr. and Mrs. Duckett.

All which is respectfully submitted.

A. J. BROUGHALL,
Chairman.

W. J. MACDONELL,
Secretary.
