

We have to record the removal by death of two of our staff during the year, Mr. J. W. McCallum and Mrs. And. McDougall. Both were connected with the school for a great many years, and took an active part in its work. Their presence and counsel are greatly missed. They have been called to their reward, and we desire to place on record the loss which we have sustained.

In closing we tender our sincere thanks to all kind friends who have assisted us in any way during the past year, and in entering on another year's labor we ask for a still richer blessing upon the work.

A. S. ROSS,  
*Secretary.*
