CHINA WILL FIGHT JAPAN.

Missionary Says That Revolution is Also in Formation. PHILADELPHIA, Pa., Nov. 11.—Declaring that the youth of China, the younger and more progressive element in the nation, would in a great revolution overthrow the present dynasty, Rev. William Christie, a missionary at the Christian and Mission Alliance, stated that great disturbances were about due in the celestial empire, and also that a war with Japan was in contemplation. Mr. Christie said:

"The object of the revolutionary move-ment is the overthrow of the present dy-nasty, which is hated for its conservatism nasty, which is hated for its conservatism and feared for its power. During the past year there have been three abortive attempts, each time before the movement was ripe. The unrest is being fostered by the student element.

"China is not afraid of Japan. The government is working night and day in the training of men for the war with the Japanese that eventually will come. All this talk of conciliation between Japan and China in the event of another war with the western nations is ridiculous."
