

NO PLACE IN MINISTRY FOR MANAGER MONEY

Rev. Dr. Simon's Warning to Victoria College Graduates—Annual Convocation Proceedings.

The degree of doctor of divinity was conferred last night in Victoria College, upon Prof. John Smith Simon of Disbury College, Manchester, England, and Rev. W. H. Hines, LL.B., of Toronto, by Chancellor Burwash. The white sheepskin scarfs were presented by Prof. Wallace and Prof. Jackson.

Osgood of B.D. were also given to George S. Buckingham, B.A., of Maxwellville, Ontario, and to J. A. O'Sullivan, B.A., of Oil Springs, Ontario, by Rev. Dr. Simon. The latter was also given to Rev. Dr. Simon. The latter was also given to Rev. Dr. Simon.

Rev. Dr. Simon said he did not know just how ministerial conditions were in Canada, but he deplored the fact that many Methodist clergymen in England were largely mercenary, and that the highest salaries they could get for big money had no business being in the ministry. One couldn't keep a vice locked into his bosom and keep it from becoming apparent. A single vice was bound to spoil the whole nature.

About 250 were present. The ceremony was followed by a promenade and luncheon.

About 150 probationers were examined by Prof. Bowles at a meeting of the Victoria College district yesterday. Rev. J. A. Rankin, D.D., president of Dean Wallace read the report of the faculty of theology and suggested that someone should endow a chair of theology in the university. He referred in eulogistic terms to the evangelization and reform work that had been done in Toronto by the students during the past year.

MR. DURKIN A TORONTO BOY

Leading Man in "The Christian" Glad to Come Here.

Seen last night for a few minutes during the performance of the exacting play of "The Christian" James Durkin, who is playing the leading role of "John Storm," expressed the pleasure he had in revisiting his native city. It is fourteen years ago since he left Toronto and except for his appearance in "The Christian" two years ago he has not had an opportunity of renewing his acquaintance with the scenes of his youth.

It will be pleasing to his many friends to know that the tour of "The Christian," in which he sustains his charming wife and that admirable actress, Miss Maude Foster, has been successful, and the record is not likely to be broken in Toronto. Mr. Durkin has the highest possible opinion of the quality of the Toronto audience and their quick appreciation of dramatic excellence. He finds many signs of the growing importance of the Ontario capital, and as a loyal Torontonian is proud of the place his natal city has taken on the American continent.

MONTREAL BARS

Will Close at Ten o'Clock Under the New Bylaw.

MONTREAL, April 25.—(Special.)—By a vote of seventeen to four the city council gave a second reading today to Alderman Carter's bylaw calling for the closing of the saloons at ten every night but Saturday, when the saloons are to go up at seven.

A tax of \$500 was imposed on all saloons which do not comply with the bylaw, no doubt, that this will put a great number out of business.

AFTER GLOBE EDITOR'S SCALP

Hon. A. B. Aylesworth Very Angry Over Attitude of Liberal Organ.

OTTAWA, April 25.—(Special.)—There was war between Hon. A. B. Aylesworth, minister of justice, and J. A. Macdonald, editor of The Globe, each wanting the other's scalp.

Some days ago The Globe published an editorial vigorously condemning Mr. Aylesworth for declaring as innocent the two Toronto men who had been imprisoned for selling obscene books on their own plea of guilt. It was promised that the minister of justice would make a statement in the house. This statement has not yet been made, and Mr. Macdonald is pursuing the minister.

In short, Mr. Macdonald wants Mr. Aylesworth removed from the office of minister of justice, and Mr. Aylesworth wants Mr. Macdonald removed from the editorship of The Toronto Globe.

NEWFOUNDLAND SIZZLING

ST. JOHN'S, Nfld., April 25.—Record-breaking temperatures have accompanied a hot wave that has been experienced on the west coast of Newfoundland for the past few days.

WRITING A PLAY BACKWARD

Charles Frohman Tells How He Thinks "Mid-Channel" Might Have Been Composed.

According to a reporter of The London Daily Chronicle, Charles Frohman thinks many plays should be written backward.

"This is my idea," he is quoted as saying, "and I have written 'Mid-Channel' backward. He was walking down a fine street and saw a bald man high up on a house. If someone had jumped out of that house and said, 'Why should someone jump from a balcony? It would have been a tragic and dramatic reason. It would be stronger and stranger if it were a woman. Why? Because everything has left her. Why has everything left her?' Then Sir Arthur found the cause—husband, lover, good name, happiness—all were gone."

And there you have the inception of 'Mid-Channel,' as Mr. Frohman imagines it. The reporter does not add that Mr. Frohman mentioned that he had seen some plays declined suggesting that they had been written according to his plan. But doubtless his experience in that respect has been the same as that of others.

Such a Polite Little Boy

"We keep our own cow," explained the hostess, proudly. "So we're sure of our milk."

"Well," interrupted the small son of the guest, setting down his cup, "somebody's stung you with a sour cow."—Cleveland Leader.

The Musical Critic

She achieved effects that were wonderful with a voice and a method that needed no adventitious assistance from display of altitudinosity of register, abyssal depths of contralto bravura, or performance of pulmonary prodigies.—Memphis (Tenn.) Commercial Appeal.
