CATTLE SHADED OFF ON HEAVY RECEIPTS

Lambs Easier, Sheep and Calves Steady.

With a heavy run of cattle on the Union Stock Yards market yesterday, around 4500 head, exclusive of those billed thru there, a very fair demand for nearly all classes, but the prices were generally speaking, half a cent lower, especially on the common to medium stuff.

The best demand was shown for good and choice butcher cattle, but there were few of these on sale.

The market for heavy weight steers was a good 30c lower, but there was a very fair inquiry for the breezy stockers and feeders, but on the whole we think they sold at lower levels. The canner trade was very slow, and 50c lower than last week.

Good butcher cows met with a good inquiry, and canners and cutters, as stated, were a half a dollar lower.

There was a fairly good demand for the better end of the milk cows, and they sold at steady prices or a little better. The bull trade held about steady.

The market for calves was very active, and the heavy steers as holding about steady, with the canners 30c lower and all other classes 50c off last week's prices.

Sheep and Lambs.

There was a tremendous run of sheep and lambs—over 1000 head—with the market holding around 1200 to 1250 a lb. for the nice light lambs around 75 lbs. while the poorer class of lambs sold at around 115c. The market was very slow on the start, but picked up a bit later on. Sheep held steady at from 7c to 7 1/2c a lb.

Calves.

The calf trade is about steady, good veal selling from 17c to 18c, medium light veal 12c to 16c, and coarse heavy calves, from 20c to 25c lbs. from 8c to 10c a lb.

The Hog Trade.

The hogs held steady at 16c to the farmer, 13 1/2c f.o.b., and 17 1/2c fed and dressed. These prices will in all probability hold for today, but Wednesday's prices on Tuesday's loading look like a dollar lower on all these prices. Receipts in the big American centres were reported yesterday as being very heavy, and lower prices are expected as a consequence.

The Swift-Canadian bought 550 cattle on the exchange yesterday. Medium to good steers and heifers, \$10.50 to \$12.25; butcher steers and heifers, \$8 to \$10.50; cows, \$6 to \$8; 2-year-olds, \$5.50 to \$6.50; 3-year-olds, \$5 to \$6; 4-year-olds, \$4.50 to \$5.50;
