My legs pained me almost every minute of the day and when the weather was damp my arms hurt me so much it was agony for me to bend them. My kidneys were so badly out of order that I had pains all thru my back and at night I was no such misery I could hardly sleep at all. Every morning my back was so stiff it was hard for me to get out of bed and during the day I couldn't think of doing my work.

My observation is that when a labor member being to feel his oats a little the farmer says, 'Down, Rover.' (Laughter.) If there is any excuse for co-operation between them it is that they both have learned to suck eggs. They talked of their hard work. But one person worked harder than both—the farmer's wife. (Loud applause.) The farmer's wife is the hardest working person I know."

ANTI-FREE TRADERS Since Taking Tanlac AMONG THE U.F.O.

Debate in Legislature Provokes Interesting Discussion on Fiscal Questions.

The debate on the address in the legislature yesterday was signalized by two declarations on the fiscal issue. Mr. Widdifield, U.F.O. member for North Ontario, declared flatfooted that he is not for free trade. He made a long digression upon respect for the laws of the country in this regard which could not be clearly followed. R. R. Hall, Liberal member for Parry Sound, a Welshman, as he proclaimed himself, answered Mr. Widdi field with an uncompromising declar-ation for free trade and rubbed into the farmers and Labor members their admitted change of heart with many pleasantries that provoked members of all groups to laughter. Mr. Hall came to the front as one of the acceptable

A Well-known Man

Dr. Pierce of Buffalo, N. Y., the celebrated physician, known throughout the entire civilized universe because of his many years of successful medical practice, once said:

"At this time of year most people suffer from what we term 'spring fever' because of a stagnant condition of the blood, because of the toxins (poisons) stored ut within the body during the long winter. We eat too much meat, with little or no green vege-

Bloodless people, thin, anemic people, those with pale cheeks and lips, who have a poor appetite and feel that tired, worn or feverish condition in the springtime of the year, should try the refreshing tonic powers of a good alterative and blood purifier. Such a tonic as druggists have sold for fifty years, is Doctor Pierce's Golden Medical Discovery. It is a standard remedy that can be obtained in tablet or liquid form. Made without alcohol from wild roots and barks. If your druggist does not have the tablets send 10 cents for trial package to Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., or branch in Bridgeburg, Ontario.

KITCHENER, ONT .- "I have used Dr. Pierce's medicines and found them to give perfect satisfaction. The doctor said I had no blood, my heart got very weak. I finally quit the doctor and began taking Dr. Pierce's Golden Medical Discovery and Dr. Pierce's Favorite Prescription. When I had taken about five bottles I commenced to notice a marked improvement, and eventually I was all right, could do my own work. I really think these remedies saved my life as I was in very bad condition. I have used 'Pleasant Pellets' in my home for several years and found them good."—Mrs. Henry Harmer, 91 Victoria St.
