SARSAPARILLA

FOR THE CURE OF RHEUMATISM, BRUISES, ULCERS, PILES, GOUT, GRAVEL, NEURALGIA, SCIATICA, &c. &c. The Proprietors have spent much time in bringing this preparation of SARSAPARILLA to its present state of perfection, and the experience of four years has furnished them the most ample opportunity to show the various forms of the disease, and what it is recommended, and to adapt it exactly to their relief and cure.

THE FOLLOWING IS THE TESTIMONY OF A GENTLEMAN OF HIGH STANDING AND EXTENSIVE ACQUAINTANCE IN THE SOUTHERN STATES, AND LATELY APPOINTED CONSUL TO NEW GRANADA: Messrs. A. B. & D. SANDS, New York, January 3, 1849.
