AMUSEMENTS

ORPHEUM STOCK CO.
OPENS TONIGHT AT
THE OPERA HOUSE

The Orpheum Stock Company, a clever and well balanced dramatic organization, will open a week's engagement at the Opera House tonight. This same attraction was here for a three days engagement a short while ago and made a very favorable impression. Its members are all actors of the better grade who have been connected with first class companies in the States and Canada and the company is much stronger in every way than the average stock company.

Three plays will be presented during the week here. Tonight, Tuesday and Wednesday nights and Wednesday matinee and Friday nights the company presents "The Mills of the Gods," a drama by Geo. Broadhurst, author also of those two successes, "Bought and Paid For" and "The Man of the Hour." "The Mills of the Gods" is presented here under special arrangement with the author and the company carries all special scenery and effects for its proper production. Thursday and Friday nights the company offers that best of all comedies, "Mrs. Temple's Telegram." Mr. Conolly, the leading man of the Orpheum Stock Company, was with the original production of this splendid comedy and the company will repeat, at the request of many patrons, Augustin Daly's best comedy, "The Lottery of Love." Special prices will rule for this engagement, orchestra 50c and 35c. Dress circle, 25c.; Balcony 20c. and gallery 10c. Matinees on Wednesday and Saturday. On Wednesday prices, children 10c.; adults 25c. Seats are now on sale for all performances. The play is out in plenty of time for patrons to make all suburban trains at night.

MUSICAL AND PATRIOTIC EVENT OF THIS WEEK

The sale of tickets for the recital to be given in the Knights of Columbus hall in Coburg street on next Wednesday and Thursday evenings under the auspices of Brunswick Chapter, I. O. O. E., by Wilmet Goodwin, Canadian baritone, and assisting artists, is thus far most encouraging. The proceeds are to be for patriotic purposes.

Mr. Goodwin has won a distinguished reputation as a baritone. He has delighted thousands with his art, and has successfully filled the position of soloist in prominent churches of New York, besides singing at the St. Paul, the New York Philharmonic and the Boston Festival and Russian Symphony events. He then accepted the position of principal baritone with the Aborn Opera Co. and sang leading roles with that body for three years. Today his voice is at the fullness of perfection and will be heard in all its power and charm at the recital on Wednesday and Thursday nights next, for which the K. of C. have again kindly given the use of their rooms.

Mr. Goodwin will be assisted on both evenings by Maurice Warner, famous violinist, and Lee Cronican, pianist of note.

APPEAL TO ST. JOHN PEOPLE FOR SERBIANS

Knights of Columbus Take Up
Matter in Their Behalf

A STRICKEN COUNTRY

Ravaged by Disease, Thousands
and Thousands of Deaths, and
Great Shortage of Surgical and
Medical Supplies—How All
Can Assist

The Knights of Columbus hall on Coburg street, which is frequently being used for patriotic purposes during the last few months, will be open on Monday and Tuesday next to receive donations of articles for the stricken Serbians, such as are mentioned. A committee from St. John Council will be present to receive them, and it is requested that donors place their contributions in the hall.

It is hoped and expected that there will be a generous response to the call, the necessity of which is apparent to everybody who has read the newspapers of late.

Donations will be forwarded through the Red Cross Society.

The attention of the St. John Knights has been called to the heinous conditions prevailing in Serbia—to the awful ravages of disease, to the numerous deaths, to the needs of the hospitals, it was lately decided to make an appeal to the public for assistance for the suffering people.

The sad condition of affairs in Serbia has been graphically described in a letter sent by the Canadian Red Cross Society. "For three months," says this letter, which was sent out from Toronto in May, "all Serbia has been one great charnel house of death and dying. Deaths to date have reached a grand total of 75,000. Though the epidemic of typhus is now declared to be under control, it is freely admitted that a grim harvest of 100,000 human beings will have been reaped before it can be entirely stamped out. When the present war broke out, there were in all Serbia, with a population of 5,000,000 people, only 500 doctors. The service of all these had to be given to the army, and the civilian population without medical help.

"Of this heroic little band of doctors, only half have been able to escape the epidemic. Typhus as this lack of doctors is, it is nothing in comparison with the lack of supplies and medical supplies. So scarce were the latter following Serbia's last great battle, that what is left of the hospitals had to be less seriously hurt and re-used on graves. A black flag in Serbia marks each house where the disease has victims, but each flag usually means two or three. Twenty centuries ago from the heart of what is now Serbia went up a cry for help that has since rung down the ages. It is the cry to 'Come to Macedonia and help us.' The answer is ringing up today.

"The Canadian Red Cross Society realizing the awful conditions existing in Serbia today, recently donated \$5,000 for relief in that unhappy country. Canada is the people of Canada giving Canada to the many patriotic and national funds in connection with the war; out of the funds of their people, but the Canadian Red Cross Society says: Serbia comes to us not merely in a general appeal to our generosity and charity, but she comes as a nation to which we owe a very great debt. While in time we are going to drive the hordes of barbarous invaders from the soil of France and Belgium, we must never forget that the first thrust of the fight was not borne by the great nations, but by the small nations of Europe. Serbia cries out in the throes of a great tragedy and her cries reach us as if they were a direct appeal to our sympathy and determination against the most dreadful odds, and while ravaged by a dread disease, Canadians were ever ready to help when assistance was needed and never was it needed as it is today in the little kingdom of Serbia.

Money is needed badly, but surgical and medical supplies are absolutely essential if the work that is being carried on in Serbia today be continued. Blankets, pillows, sheets, dressing gowns, towels, hot water bottles, night shirts, flannel shirts, pyjamas and baluchas are badly needed, but most specially the demand is for cholera belts, slippers, lint, tadoform, plaster, medicated cotton, disinfecting tablets, condensed milk, cocoa and stretchers.

DUKE INSPECTS 55TH BATTALION

Exploits of Blaine, Gem, Wednesday
and Thursday.

After an inspection of the 55th Battalion at Sussex Camp on Saturday, H. R. H. the Duke of Connaught expressed himself as highly satisfied with their appearance and efficiency. He also complimented the officers and the battalion on the prompt manner in which they executed orders and attended to the details of the review. The Duke was accompanied by General Rutherford, O.C. of the 4th Division. Lieut.-Col. McLean, brigade commander, met the party on arrival.

Church parades were held to the different churches in Sussex yesterday. Lieut.-Col. Kirkpatrick says that the 55th Battalion is by no means complete, as some people seem to have thought. At least 400 more men are required. At a patriotic meeting held on Saturday at Hatfield's Point, four former Kings county men were the speakers, G. W. Ganong, Dr. Heine, Dr. E. M. Kierstead, and Sir George E. Foster.

Lieut. Fisher Wounded.

Lieut. Donald D. Fisher has been wounded in France. He is a son of W. S. Fisher of this city, and has been with the Royal Canadian Dragoons. Private Peter Johnson of Woodstock, N. B., Private J. Ashworth of Cape Breton, S. S., are also listed among the wounded.

COULD NOT GO TEN STEPS FOR THE PAIN IN HIS KIDNEYS.

When you get a pain in the back you may rest assured that it comes from derangement of the kidneys, for were there not something wrong with the kidneys the back should be strong and well.

Doan's Kidney Pills regulate the kidneys, and there is no further cause for any kidney trouble to exist. What more needs to be said? While Doan's Kidney Pills are not a "balm for every ill that flesh is heir to," they are a positive, never-failing remedy for every disease that has its inception in the improper action in those delicate little filters of the blood, the kidneys.

Mr. Adelaide Cleroux, Eganville, Ont., writes: "I was troubled with my kidneys for four years. They were so bad, at times I could not go ten steps for the pain they caused me. My doctor could not do me any good. A friend advised me to use Doan's Kidney Pills. I bought five boxes, and now I have been cured for over three years. I will recommend them to whoever may be suffering from kidney trouble."

Doan's Kidney Pills are 50c per box; 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's"

Private L. Ramsay, of Tremont, N. S., is missing. Lieut.-Col. Becher, of London, Ont., has been killed in action.

It has been definitely ascertained that Lieut. Warneford, V.C., killed recently in a flight over Belgium, was born in India and not in Canada, as reported. He was in England when war broke out and joined the aviation corps.

Bible Saved Him

A letter received on Saturday by Mrs. Fred Craft, of Carleton, from her son, Corp. George F. Craft, said that his life had been saved by a Bible which he had in his pocket when a bullet struck him. It lodged in the Bible, thus saving his life or at least preventing serious injury, as it was an upper pocket on his left side.
