The Allan Cup

Montreal, March 10.—That McGill hockey team, champions of the Quebec Amateur Hockey Association, will go into the semi-final of the Allan Cup series was assured last night when word was received from the officers of the Ottawa district that the winners of the Ottawa district would default to McGill.

In the scheduled game to be played at the arena here on Saturday night, the champions of the Ottawa district is still undecided, and as a winner will not be returned until later it was decided by the league to default the game against McGill.

The McGill team will now play with the winners of the Ontario district, which will be determined tomorrow night, and the winners of the McGill-Ontario game will journey to Winnipeg to play off with the western defenders of the trophy emblematic of the amateur championship of the Dominion.

The game will be played in Toronto on Tuesday night, and the team winning must be ready to leave on the next day for the west.

Word was received in Montreal yesterday that President Sterling, of the Canadian A. H. A., had set the dates for the final games for the Allan Cup for the final games for the Allan Cup series. The dates decided on for Saturday, March 19 and Monday, March 21.

The games will be played in Winnipeg. The annual meeting of the association will be held on Friday, March 19, in Fort Garry Hotel, Winnipeg.

CITY BASEBALL LEAGUE ASSURED

Athletic Association of Commercial Club Announce They Will Manage Team—May Be Four in League.

At a meeting of the executive of the A. A. of the Commercial Club held last evening it was decided to accede to the request of a well-known ball team to manage it for the season. The team was signed up, and will play in the colors of the A. A. of the Commercial Club.

Arrangements have been made with the East End Improvement League to use the East End grounds as the home grounds for the team.

A manager has been appointed and uniforms and equipment will be secured immediately, so that the team will be ready for opening the season.

Further information as to the personnel of the team and its management will be furnished in a few days.

This announcement assures fans that there will be a City League this summer. St. Peter's team has been re-united, and it is understood that the Y. M. C. I. is signing on players to represent the Institute on the diamond.

Whether or not more teams will enter is not as yet known, but there is some talk of a team entering from St. John.

ST. JOHN SKATERS BRING TROPHIES

With seven provincial skating championships, eight silver cups and seven gold and silver medals, the eight skaters who wore the colors of the Y.M.C.I. in the provincial skating championships at Moncton on Tuesday night, returned to the city yesterday.

The most extensive collection in the Y.M.C.I. can boast of the unique silver cups for the four first places in the provincial championships of the Y.M.C.I. in Canada, the cup donated by the T. Eaton Company's Moncton branch for the winner of the greatest number of points. This cup stands two and a half feet high and is beautifully engraved. It becomes the permanent property of the man winning it three times, not necessarily in succession.

Garnett seems to have made a wonderful showing in Moncton. He won the 220 yards, took second in the 440 yards, after stumbling about thirty feet from the tape when he was in the lead, and the 100 yards in the half mile, mile and three mile events.

W. K. Stirling, who accompanied the Y.M.C.I. team to Moncton as trainer and manager, said last night that Garnett is only beginning to show his real speed. He took the distance events quite handsily, he said, and seemed to have lots of spare speed left.

Garnett skated in only one senior event before going overseas, so that this year is practically marks his second season in the Y.M.C.I. He has taken part in thirty-three races this year, but when allowance is made for the twelve of the Y.M.C.I. national and international meets, when he was devoting a good deal of his time to the care of Charlie Grenham, who, he thought, and thought rightly, had a chance of winning a championship.

Garnett's showing in the remaining twenty-one races is splendid. Out of
