## RECIPROCITY WILL MAKE HIS FARM WORTH \$2,000 MORE

What One Well Known Farmer Thinks About the Trade Agreement—Party Doesn't Matter to Him This Time

(Carleton Sentinel).  
Here is a well-known Carleton county farmer and lumberman thinking of reciprocity. "If reciprocity goes through," he said to the Sentinel on Wednesday, "I'll want just \$2,000 more for my property than I do to day. Why, my father and his sons have paid enough duty on lumber we've shipped in the past few years to make one of us independent for life."

Reciprocity is not a political question for that man. It's a question of dollars and cents. That's why he's going to vote for Carvell and Better Markets.

## CAMPAIGN NOTES

F. B. Carvell and Rev. J. H. Puddington addressed a large enthusiastic gathering of York County Liberal voters at Fielding on Wednesday last. Both dealt with the reciprocity question. Mr. Carvell also addressed meetings during the week at Holmesville, Upper Kent and Burton. He was given a great reception at all these places.

A "Young Liberal meeting" in the interest of Mr. McAlister was held at Upland on Saturday night. E. E. Pearson and G. R. McLeod both delivered stirring speeches in favor of reciprocity and were well received. The interest freely expressed by the farmers of Salt Springs and vicinity is that Dr. McAlister will be returned to parliament this time with a greatly increased majority.

A large majority for A. T. Legge, the Liberal candidate in Kent county may be looked for at the coming elections, judging by the enthusiasm evinced at the meetings which he has been conducting. He spoke before a large gathering on Saturday evening, and his remarks on reciprocity, as well as those of Hon. Mr. LeBlond, M. P., were heartily received. Feeling greatly encouraged with the prospects for another Liberal victory in Queensbury on September 21, Col. H. H. McLean, the late member who is standing for re-election, arrived in the city yesterday and will attend the Laurier demonstration.

On Saturday, Col. McLean addressed what was one of the largest and most successful of the nine picnics held throughout the constituency at Wawan in Sunbury county. About five hundred were present, the men being in the majority. The Fredrick Junction band furnished music and all present thoroughly enjoyed themselves. Mr. Steeves presided at the speech-making, and addressed by the Liberal candidate and by E. H. Allen, of Fredrickton were listened to very attentively.

A Conservative meeting at Haymarket hall on Saturday night was attended by a large number of speakers. Mr. Armstrong, W. H. Harrison, and M. W. Doherty.

**Grey's Mills Notes**  
Greys Mills, N. B., Aug. 25.—The ladies of St. James' church, Long Beach, intend holding their annual picnic on Tuesday, August 29, on the beautiful grounds of T. R. Seely, at Williams' Wharf. If the weather is unfavorable, it will be held on the first fine day. There will be refreshments and supper on the grounds. The proceeds will be for painting the church.

A musical entertainment given for the benefit of the church by friends spending the summer at Williams' Wharf netted the sum of \$12.50.

Robert Seely, of Washington, who has been visiting his parents here, has returned home.

The Misses Muriel and Vida MacDougall of this place are visiting relatives in Kingston.

**A. M. E. CONFERENCE.**  
At the conference of the A. M. E. ministers in St. Philip's church on Saturday, Rev. Dr. Pearson, of this city, was selected to attend the general conference in Toronto in October. Yesterday afternoon an ordination service was held. Bishop Derrick presided and Rev. W. W. Brewer and Rev. E. J. C. McPherson assisted. The ordination of Rev. C. A. Stewart and Rev. A. Morgan as elders took place. The concluding service was held last night at 7 o'clock. Rev. W. R. Hill occupied the pulpit.

## LABOR WAR IN ENGLAND ENDS

Only Black Cloud is That at Cardiff, But it Will Likely Be Dispersed

London, Aug. 28.—(Canadian Press).—The labor war in England is over. The London tramway men's negotiations with the company are proceeding favorably. The Liverpool docks are a scene of great animation and it is expected that within ten days everything will be normal. All the Canadians and Americans who have been held up by the strike, will be able to return home at once.

Cardiff is the only black cloud on the horizon, but it is expected that the dock laborers there will soon resume work. The royal commission of five to inquire into the working of the conciliation act of 1907 will begin its sessions today.

## SIR WILFRID LAURIER AT VALLEYFIELD RALLY

Valleyfield, Que., Aug. 28.—Sir Wilfrid Laurier addressed a large meeting here on Saturday. He declared that the opposition was weak, there being too many leaders. Continuing he discussed reciprocity, declaring that border counties such as Beauport would certainly reap great benefit from the passage of the bill and he predicted that it would pass within three months if he was returned to power. He characterized the opposition to the bill as "being built up on a basis of malicious misrepresentation."

Hon. Rodolphe Lemieux, Hon. A. C. Bevan and local orators also delivered addresses.

## POPE ABLE TO SAY MASS ON SUNDAY

Rome, Aug. 28.—(Canadian Press).—The Pope yesterday celebrated mass and afterwards proceeded to the Vatican gardens where he received his first visitor since his illness. The visitor was a member of the private circle since his illness.

The pontiff appeared entirely recovered and interested himself in the affairs of the diocese, and ended the audience by bestowing the apostolic benediction on the churches in South America.

## ENGLAND SEIZES STEAMERS

London, Aug. 28.—(Canadian Press).—The latest theory in regard to the government seizure of the little steamer Foam Queen, at Gravesend, is that she was intended to take part in a royalist plot in Portugal. The vessel on which there was a supply of arms and ammunition, and another vessel, which was arrested at Barrow, were supposed at first, to be intended to be for filibustering purposes.

## MONA LISA COPY ALSO GONE

Rome, Aug. 28.—(Canadian Press).—Visitors of the gallery at Villa Carlotta, on Lake Como, have recently remarked the disappearance of a fine copy of the painting "Mona Lisa," executed during the lifetime of Lord Davis. No one knows what has become of it, and the newspapers suggest a connection between its disappearance and that of the original from the Louvre.

**SALE OF CITY LANDS.**  
Twelve city lots in Lunenburg were sold at auction on Saturday by Auctioneer F. L. Potts, and brought \$2,000, that amount being given by Beverly Stevens, acting as manager of the business of the White Candy Co., Ltd., which is being carried by Ganong Bros. It is said that the purchase means the erection of a factory by this firm, but Mr. Stevens would not say what was to be done with the property. The lots comprise a portion of the block of land enclosed by the City Lane, Lancaster, Clarence and Bond streets.

**Three Great British contracting firms have tendered for the construction of dry dock, breakwater and wharves at Courtenay Bay. This means an immense development at St. John East, thanks to the efforts of Hon. Dr. Pugsley.**

"Why don't you take your vacation?" "Can't get the use of my trunk until September!"—Washington Herald.

Harbor thieves stole an anchor and forty five fathoms of rope from a scow anchored at the foot ground on Friday night. Guardsman Lodge No. 5, L. O. A., of Musquash, yesterday observed decoration day. After the decoration of the graves an eloquent sermon was preached in the Church of England by Rev. Mr. Travis.
