BOWLING.
ELECT OFFICERS AT LONDON.
London July 23.—When dinner was
over in the Tournament House last night
the ship of a rink from Exeter raised
his voice above the clatter of reading
chairs and invited all the W.O.B.A.'s
in the room to a little surprise out-
side. There, on the sidewalk, right in
front of the main entrance, was the
Rainy River male quartette. Dick
Thompson, of Paris, assumed command
and John Phillips presided the chorus
singing which followed.
This was all a prelude to the an-
nual election of officers which took
place in the grill room. Hon. A. G.
Mackay presided at the meeting

POLICE FEEL SURE

Seem Satisfied That They Have
Crippen on Boat.

DEW FOLLOWS FAST AFTER

Scotland Yard Detective on Board the
Laurentic Hopes to Land in Mont-
real on the Same Day as Montrose
and to Make the Arrest on Sat-
urday or Sunday — Anxious
For a Two-Berth Cabin.

London, July 25.—That Dr. Howley
H. Clippin and his former stenog-
rapher, Ethel, Clara Leneve, are
aboard the Canadian Pacific steamer
Montrose, now on the high seas bound
for Montreal, is Scotland Yard's firm
conviction. Of the many clues fol-
lowed to the final ending, that which
led to the docks at Antwerp, and to
pursuit across the ocean, seems to
hold out the best prospects for the
capture of the two.

Inspector Dew is now aboard the
steamer Laurentic, which is due to
arrive at Montreal on July 30. That
is the date also of the arrival of the
Montrose, and the Scotland Yard of-
ficials hope the inspector will reach
Rimouski in time to arrest the fugi-
tives. The inspector knows both Dr.
Crippen and the Leneve woman per-
sonally.

According to one despatch received
here from Montreal, the Canadian
Pacific Railway officials were in re-
ceipt of a wireless message from the
Montrose, stating that the Leneve wo-
man had been found and confessed.
Another despatch from Montreal stat-
ed that the company had not been
able to establish communication with
the steamer.

Gave Names as Robinson.
Antwerp, July 25.—The two passen-
gers on the steamer Montrose, who
have been the object of inquiries by
the London police, were booked by the
steamship office as John Robinson and
John Robinson, jr. The elder gave
their ages as 50 and 17 years. They
booked passage for Montreal on July
13 by the steamer Montrose, sailing
on Aug. 31. Later Robinson asked
that they be transferred to the same
steamer sailing July 30, provided they
could obtain a two-berth cabin.

The passenger agent for the line re-
fused their application. Upon being
shown a photograph of Dr. Crippen,
the passenger agent said:
"If Robinson is Crippen, the photo-
graph flatters him."
He added that Dr. Robinson did
not show any nervousness, and that
the boy did not speak at all. Robin-
son wore a light grey suit and a grey
hat. The agent did not detect any
American accent.

Believed to Be Murder Plot.
Cleveland, July 25.—Mrs. Mary
Emerson, 52 years of age, who died
in a hospital here on Thursday, is
believed by the police to have been
poisoned, as the result of a murder
plot. Two women companions, who
were with her when she was taken
ill, have disappeared.

Fear Chinese Aggression.
London, July 25.—Strong reinforce-
ments, reported from Siam, as join-
ing the British garrisons along the
Thibetan frontier, leave no doubt that
the Government is anxious over the
danger of Chinese aggression against
India.
