

Dominion Parliament

Anxious to Get Through—Morning and Saturday Sitings Will Be Held.

The Discussion of the Redistribution Bill in the Senate.

Ottawa, July 18.—The House of Commons made fair progress at yesterday's sitting upon the voting of supply. Items for the Public Works Departments, aggregating about three-quarters of a million dollars, were passed before the House rose at midnight.

Mr. Fielding replied that the work could not be accomplished without dredging. The Opposition next aimed its criticism at Mr. Tarte's action in purchasing supplies for the Sorel shops without tender and building dredges by day's labor.

Mr. Taylor, Conservative whip, in a blaze of indignation declared that this vote should not pass till he had an explanation as to a small expenditure on Chinese lanterns.

Mr. Bennett (East Simcoe) prepared an amendment that no portion of this money of \$2,000 should be spent until the act is passed without proper tenders being sought.

The Prime Minister joined in Sir Charles's expression as to the loss which parliament had sustained in the sudden deaths of the late Mr. Ives and of the late Senator Sanford.

On the House going into committee of supply the estimates for the Public Works were taken up by Sir Charles at the outset revived the discussion of a theme which has been harped upon by the Opposition ever since the accession of the Liberal party to office.

Mr. Mackenzie Bowell, after a friendly suit or else send the question to the Supreme Court for an interpretation of the law as it stands. He had the advice of leading lawyers to the effect that the government had set the law at defiance.

The Minister of Finance replied that what Sir Charles had said went to show that considerable difference of opinion existed among the legal profession on this question. The government had acted upon the advice of the Minister of Justice.

Mr. Bergeson (Beauharnois) understood that under Liberal rule one feature which did not stand to the credit of the government was that civil servants were prohibited from engaging to support and influence members and others in their behalf for increases or otherwise, or penalty of dismissal.

Mr. Fielding thought the rule a very wholesome one. It had been framed many years ago by Sir Leonard Tilley and sanctioned by rule of the treasury board "Hicet, prime facie, it was a concession of a weak case for any civil servant to seek the political influence of his friends."

Mr. Fielding was able to quote from a speech by the Minister of Railways, Mr. Haggart, made in the House last session, to sustain the view that some discretion should be left to the heads of the departments in granting the increase.

question was as to how far this discretion ran. Mr. Cochrane (East Northumberland) felt that any young man of promise who went into the civil service at \$400 a year was a fool.

St. Lawrence Ship Canal. An item of \$254,000 for the dredging of the St. Lawrence ship channel was voted to a loud complaint from the front seats of the Opposition.

Mr. Fielding replied that the work could not be accomplished without dredging. The Opposition next aimed its criticism at Mr. Tarte's action in purchasing supplies for the Sorel shops without tender and building dredges by day's labor.

Mr. Taylor, Conservative whip, in a blaze of indignation declared that this vote should not pass till he had an explanation as to a small expenditure on Chinese lanterns.

Mr. Bennett (East Simcoe) prepared an amendment that no portion of this money of \$2,000 should be spent until the act is passed without proper tenders being sought.

The Prime Minister joined in Sir Charles's expression as to the loss which parliament had sustained in the sudden deaths of the late Mr. Ives and of the late Senator Sanford.

On the House going into committee of supply the estimates for the Public Works were taken up by Sir Charles at the outset revived the discussion of a theme which has been harped upon by the Opposition ever since the accession of the Liberal party to office.

Mr. Mackenzie Bowell, after a friendly suit or else send the question to the Supreme Court for an interpretation of the law as it stands. He had the advice of leading lawyers to the effect that the government had set the law at defiance.

The Minister of Finance replied that what Sir Charles had said went to show that considerable difference of opinion existed among the legal profession on this question. The government had acted upon the advice of the Minister of Justice.

Mr. Bergeson (Beauharnois) understood that under Liberal rule one feature which did not stand to the credit of the government was that civil servants were prohibited from engaging to support and influence members and others in their behalf for increases or otherwise, or penalty of dismissal.

Mr. Fielding thought the rule a very wholesome one. It had been framed many years ago by Sir Leonard Tilley and sanctioned by rule of the treasury board "Hicet, prime facie, it was a concession of a weak case for any civil servant to seek the political influence of his friends."

Mr. Fielding was able to quote from a speech by the Minister of Railways, Mr. Haggart, made in the House last session, to sustain the view that some discretion should be left to the heads of the departments in granting the increase.

Mr. Fielding was able to quote from a speech by the Minister of Railways, Mr. Haggart, made in the House last session, to sustain the view that some discretion should be left to the heads of the departments in granting the increase.

Mr. Haggart did not contradict this statement and Mr. McNeill (North Bruce) promptly acknowledged that under the law some discretion was plainly allowed in the selection of those who should receive increases. Mr. McNeill got around the subject by observing that the

Henry III. and argued that it was not parliament, but the crown, which constituted the constitution. He instanced the changes made in the constitutions during the reign of Edward VI. and Mary. In the reign of Charles II. Newark was the last constituency created by royal prerogative.

The Act of British North America did not destroy the provinces, but perpetuated them and simply created a new federal parliament which under the constitution was to be similar to that of the United Kingdom. In order to preserve the federal feature of the legislature of the country, it was decided that the representation of the provinces should be based on population to be ascertained by census taken every ten years.

Mr. Taylor, Conservative whip, in a blaze of indignation declared that this vote should not pass till he had an explanation as to a small expenditure on Chinese lanterns.

Mr. Bennett (East Simcoe) prepared an amendment that no portion of this money of \$2,000 should be spent until the act is passed without proper tenders being sought.

Sporting News.

LACROSSE. The long-expected battle between Victoria and New Westminster resulted today in Caledonia Ground in a victory for the home team, after a keen and exciting game, with 2 goals to 2.

Notwithstanding the threatening appearance of the weather there is a large attendance at Caledonia Grounds to witness the game which promises to be the most exciting of the season, that much-talked-of and oft-postponed contest between New Westminster and Victoria of the B.P.A.A.

The Royal City boys, who arrived just after noon, are in excellent trim and present every appearance of being ready to do or die for the honor of their club. The first half of play had hardly passed before a deafening round of cheers announced that a goal had been scored. The going to last" said some of the spectators. The teams are:

New Westminster. Victoria. Goal-keepers: Cheney, Belfry. Point-men: Gray, Lorimer. Cover Point-men: Galbraith, Dewar. 1st Defence: Snell, Finlayson. 2nd Defence: T. Gifford, C. D. Peete. Centre: Turnbull, Stevens. 3rd Home: O. Latham, Tite. 2nd Home: T. Oddy, White. 1st Home: W. Gifford, Williams. Outside Home: G. Oddy, S. Peete. Field Captain: J. Mahony. Time Keeper: G. McMurphy.

It was 3:30 before the ball was faced and the Victoria centre drew out the rubber and went towards the New Westminster flags. Right to the flags the boys in blue went, and before a half minute had elapsed the ball went into the net.

The second game was almost as short. There was some end to end play and then the ball went passed Norman and into the net, Time, 2:30. The practice now warmed up and when the ball left the scrimmage and took place after the face, there was some good combination work on either side. The home men, however, were kept well out from the flags until after a scrimmage near the corner fence, Elaine secured and shot but missed. The ball then came back to centre, and by dint of some good combination play Westminster got well in and shot, but Norman saved.

The Victoria defence after a few minutes relieved and the ball went down the field to William, who shot, but failed to score. After some rugged end to end play Elaine went down the field and gave the ball to G. Tite, who shot and missed. The Victoria defence after a few minutes relieved and the ball went down the field to William, who shot, but failed to score.

Shortly after three o'clock the teams lined up with eleven men to a side, Nanaimo having come over lacking one man. Vancouver dropped Matheson (goal), to even up, Fitzgerald leaving his position at inside home and taking Matheson's place in the Vancouver net. The teams were: Vancouver—Goal, J. Fitzgerald; point, Alex. Allan; cover point, Joe Reynolds; first defence, Matt. Barr; second defence, Robert Hill; third defence, Walter Hill; centre, W. Tompkins; first home, A. E. Foreman; second home, F. Wright; outside home, Alex. Cowan; inside home, Percy Mason; field captain, S. C. Sykes. Nanaimo—Goal, D. Crowder; point, W. Bell; cover point, A. Martin; first defence, W. A. Macgregor; second defence, Luckey; centre, A. Wilkinson; third home, S. Hagne; second home, W. Trevelyan; first home, M. McNamee; outside home, J. Martin; field captain, B. J. Stuppson. Referee, D. Smith; umpire, M. Oppenheimer, J. Altken; time-keeper, Al. Larwell.

The first game was the longest, and for that reason the most interesting. O'Leary saw from the beginning that the defence, as missed the shot. Then followed a hot struggle around the visitors' goal, the culmination of which was another shot by Stevens, which was saved by the goal-keeper.

Then followed the first stop of the match, a halt of a minute being given owing to the indisposition of F. Smith. Soon after the game began again Victoria had a close shave. A shot was sent in and Norman slipped on his knees while saving, all but missing the incoming ball. He managed to scrape it aside, however, and the defence relieved. Two or three close scrimmages around the Victoria flags followed, but the defence proved equal to the occasion and the rubber went down the field again. Stevens and Tite both tried for the flags, but failed. The ball went up and down the field, players on either side drawing applause from the big audience by pretty plays. Belfry was prominent by his cool end goal play at point. For ten minutes this up and down play continued and then the referee's whistle sounded. Belfry shot to end play, but the goal was not reached. The game got mixed up in a scrimmage and secured a trifle.

Belfry secured from the face and with some nice passing and good combination play Williams secured and drove the ball past the flags. Time, 4:28. At the resumption of play Victoria secured from the face and went in towards the Westminster flags and after a little combination play in front of goal Marshall shot. The goal-keeper saved, but did not get the ball away and the Victoria home returned it, Williams shooting, but the goal-keeper was again in evidence. Another shot was sent in by Smith, but went wide. A foul occurred behind the goal. Tite being somewhat roughly handled by the Westminster players, who began to use their sticks about this period with some vigor. After the face the ball bounced on to the other side of the fence and another face occurred. Then came a face across the field, one of the New Westminster players having fallen on the ball. From the face, which resulted, the ball was worked in towards the Westminster flags and Tite secured, but before he could shoot a player in red with lacrosse bayonet-fashion sent him to earth. The defence relieved, but the ball soon went back and Tite again tried a shot. He missed by a very narrow margin. The Westminster point threw the ball down, but Belfry sent it back and the Victoria home players held it in front of the flags for a time. The boys in red scored from a rush, equaling the score. Time 15 minutes.

When the fifth game began Stevens secured after the face and ran down

well. Williams got the ball and shot, but the goal-keeper saved and the rubber was sent up the field to Norman. He received, but the ball soon came back and was landed right in front of the goal. Norman, however, was equal to the occasion and swept the ball to the side. The play was then interrupted because of fouling by a Westminster player and the offender was sent to the fence. After the face Victoria sent the rubber down to the Westminster flags. The visitors' defence sent it to the fence at centre, and after the ball was put into play again Williams did some good play and went well into the visitors' defence. The ball was retained, but he again secured it and getting close in threw it into the net and Victoria had again one goal to the good. Time, 6 minutes.

The visitors secured the face when the players lined up again and took the sphere down to the Victoria flags. Norman was there though and saved, sending the ball well out. New Westminster returned it and Belfry saved, sending the rubber to centre. The boys in red, however, worked on the home goal until Burns secured and took the ball up. The visitors' goal-keeper returned, sending the ball to centre. Finlayson secured, and being checked contrary to the code, re-sent it to a good effort. The game was then resumed when a New Westminster player tried to stop one of the local players by tripping him. For this he was promptly sent to the fence.

After the face the ball travelled up and down the field, both teams making some good runs. This end to end play continued for some time and then the players in blue kept the ball well in towards the visitors' goal, but were unable to get the ball into the net. For fully five minutes they played around the visitors' goal before the defence relieved and sent the ball down to the Victoria goal. Tite relieved with a long throw, sending the ball out of the field. After the face Westminster forced their way down until Finlayson saved and took the rubber back to centre. Again the combination of the home team asserted itself and it looked as though they would score, but the goal-keeper proved equal to the occasion, sending out a good shot from White. The defence drove the ball down, but Finlayson secured and was preparing to run up the field when the whistle sounded and Victoria had won the hard-fought match by a score of three to two.

Summary. Games. Time. 1—Victoria, Tite.....30 min. 2—New Westminster, Peete.....24 min. 3—Victoria, Williams.....42 min. 4—New Westminster, Goal, 15 min. 5—Victoria, Williams.....6 min.

Following is the News-Advertiser's description of the game between the Terminal City and Nanaimo on Brockton Point ground on Saturday afternoon: Shortly after three o'clock the teams lined up with eleven men to a side, Nanaimo having come over lacking one man. Vancouver dropped Matheson (goal), to even up, Fitzgerald leaving his position at inside home and taking Matheson's place in the Vancouver net. The teams were: Vancouver—Goal, J. Fitzgerald; point, Alex. Allan; cover point, Joe Reynolds; first defence, Matt. Barr; second defence, Robert Hill; third defence, Walter Hill; centre, W. Tompkins; first home, A. E. Foreman; second home, F. Wright; outside home, Alex. Cowan; inside home, Percy Mason; field captain, S. C. Sykes. Nanaimo—Goal, D. Crowder; point, W. Bell; cover point, A. Martin; first defence, W. A. Macgregor; second defence, Luckey; centre, A. Wilkinson; third home, S. Hagne; second home, W. Trevelyan; first home, M. McNamee; outside home, J. Martin; field captain, B. J. Stuppson. Referee, D. Smith; umpire, M. Oppenheimer, J. Altken; time-keeper, Al. Larwell.

The first game was the longest, and for that reason the most interesting. O'Leary saw from the beginning that the defence, as missed the shot. Then followed a hot struggle around the visitors' goal, the culmination of which was another shot by Stevens, which was saved by the goal-keeper.

Then followed the first stop of the match, a halt of a minute being given owing to the indisposition of F. Smith. Soon after the game began again Victoria had a close shave. A shot was sent in and Norman slipped on his knees while saving, all but missing the incoming ball. He managed to scrape it aside, however, and the defence relieved. Two or three close scrimmages around the Victoria flags followed, but the defence proved equal to the occasion and the rubber went down the field again. Stevens and Tite both tried for the flags, but failed. The ball went up and down the field, players on either side drawing applause from the big audience by pretty plays. Belfry was prominent by his cool end goal play at point. For ten minutes this up and down play continued and then the referee's whistle sounded. Belfry shot to end play, but the goal was not reached. The game got mixed up in a scrimmage and secured a trifle.

Belfry secured from the face and with some nice passing and good combination play Williams secured and drove the ball past the flags. Time, 4:28. At the resumption of play Victoria secured from the face and went in towards the Westminster flags and after a little combination play in front of goal Marshall shot. The goal-keeper saved, but did not get the ball away and the Victoria home returned it, Williams shooting, but the goal-keeper was again in evidence. Another shot was sent in by Smith, but went wide. A foul occurred behind the goal. Tite being somewhat roughly handled by the Westminster players, who began to use their sticks about this period with some vigor. After the face the ball bounced on to the other side of the fence and another face occurred. Then came a face across the field, one of the New Westminster players having fallen on the ball. From the face, which resulted, the ball was worked in towards the Westminster flags and Tite secured, but before he could shoot a player in red with lacrosse bayonet-fashion sent him to earth. The defence relieved, but the ball soon went back and Tite again tried a shot. He missed by a very narrow margin. The Westminster point threw the ball down, but Belfry sent it back and the Victoria home players held it in front of the flags for a time. The boys in red scored from a rush, equaling the score. Time 15 minutes.

When the fifth game began Stevens secured after the face and ran down

When a man gets down on his back, so that he has to be carried about like a baby, he finally realizes that he is a sick man. Very frequently he has been a sick man for years, but has recklessly refused to recognize nature's warning. Severe illness is something that does not strike a man upon him by degrees, and every step warns him with a new danger signal. "When a man feels out of sorts" or "knocked out," or whatever he may call it, he is a sick man. It is time to take warning. Headaches, drowsiness, loss of sleep at night, loss of appetite, nervousness, bad taste in the mouth in the morning, and frightful dreams—all these are warnings of encroaching illness. Dr. Pierce's Golden Medical Discovery creates appetite, cures dyspepsia, stimulates the liver, purifies the blood, quickens the circulation and tones the nerves. It makes rich red blood, builds flesh, and cures all the ailments of the system. It makes a man feel like a new man. It cures all the ailments of the system. It makes a man feel like a new man. It cures all the ailments of the system.

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. One "Pellet" is a gentle laxative, and two a mild cathartic. Druggists sell them, and nothing is just as good.

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. One "Pellet" is a gentle laxative, and two a mild cathartic. Druggists sell them, and nothing is just as good.

ill-judged. Finally, one of Foreman's shots took effect and Mr. Empire's hand pointed upwards. Time, 12 minutes. Vancouver, 1; Nanaimo, 0.

The ball was not handled by a Nanaimo stick at all during the 30 seconds which elapsed before Mason secured the goal. Vancouver's second goal was scored by Vancouver's third goal. Vancouver, 2; Nanaimo, 0.

Nanaimo missed everything which came her way in the third game. In fact the visitors seemed to have had the spirit forced out of them by close checking, and seemed for a while to lose their heads, and resorted to the antiquated method of haphazard throwing, and indifferent checking. After five minutes play Foreman scored Vancouver's third goal. Vancouver, 3; Nanaimo, 0.

The white shirts' share in the game was far from so small as it was hardly to be expected. After one-half minute play the visitors scored a goal per Mr. Trevelyan. Vancouver, 3; Nanaimo, 1.

With appetite whetted by a first fast Nanaimo wanted more, and got what he wanted. By a bold spirit and a forced game the ball however, the contest was usual in Vancouver territory, and from behind the flags fed the ball to Martin, who scored the second goal for the visitors. Time, 3 minutes. Vancouver, 3; Nanaimo, 2.

The sixth, seventh, eighth and ninth games were a procession of goals for Vancouver, taken in 2, 12, 1/2 and 3 minutes. Cowan and Foreman found the scoring. Vancouver, 7; Nanaimo, 2.

The tenth game was a joke, and Nanaimo won it. Over confident, Vancouver went into the business of experimenting. The positions of the men were changed all around. Reynolds hobb-nobbed about the home, Cowan and Foreman took a turn each in goal, and obtained the customary championship speciosa match into that which was just noticeably farcical. But they laughed all the same. When Trevelyan scored for Nanaimo they didn't know whether to laugh or cry. "Served them right," the crowd stood and shouted. Time, 8 minutes. Vancouver, 7; Nanaimo, 3.

With seven minutes to play the teams lined up again, but neither side scored. LEAGUE STANDING. Saturday's games change the positions of the various teams, which is now as follows: Games Won Lost New Westminster.....6 4 2 Victoria.....6 4 2 Vancouver.....7 3 4 Nanaimo.....4 0 4

With New Westminster and Victoria tied so far in the league contest, next Saturday's game at the Royal City will undoubtedly be a hot one, and the James Bay boys will be accompanied by a goodly following of friends from here. The team will be the same as that which played so well on Saturday, and practice will be kept up every night this week.

The lunch talk-at Nelson lacrosse club will visit Vancouver on Saturday, August 12th, and at Brockton Point on that day the Kootenay champions will cross sticks with the club of the Terminal City. In view of the published statements of Vancouver papers to the effect that the Nelson club is a formidable aggregation of stick-handlers and likely to give any club a hard rub, the game will be awaited with interest and anticipation. Dates have been given for games at Victoria, Westminster and Nanaimo. The visitors from the interior will be cordially welcomed to the Coast. By arrangement Nelson is to receive all the gate receipts after \$75 has been reserved to meet expenses. A Nelson paper says: "A. E. Snelking, a noted lacrosse player and a member of the Vancouver lacrosse club, is in town and invited to form a Tribune reporter that the Vancouver club were making every preparation to give the Nelson players the heartiest of receptions. The match is arousing a great deal of interest."

SOUTHAMPTON, July 20.—A representative of the Associated Press today had an interview with Sir Thomas Lipton regarding the damage, if any, sustained by the Shamrock in grounding off South Rock at the conclusion of yesterday's trial races, with the Britannia.

Sir Thomas said: "We are convinced that yesterday's grounding of the Shamrock was perfectly harmless. We are not even going to have the yacht examined. The Shamrock will sail for the Clyde this afternoon." Sir Thomas continued, "I will forthwith be rigged for her trans-Atlantic voyage, upon which she will sail as soon as possible. I hope by the end of this month. After the trial races this week she sailed in American waters, and we concluded that the Shamrock is a magnificent vessel, and the fastest ever seen on this side. The way in which she ran away from the Britannia proves not only that she is the better boat, but an exceptionally fast racer. You must remember that she was not seen at her best the other day. Today she did not carry so much canvas as the Britannia, while yesterday she had a smaller mainsail than it is intended she shall carry. We can set a much larger mainsail in the coming contest, if it should be deemed advisable. The Shamrock has realized Mr. Fife's fullest expectations, and I myself am more than satisfied. She showed magnificent qualities in sailing to windward."

Captain Carter, who, besides sailing the Britannia, commanded the Geneva, was interviewed. When told that Sir Thomas Lipton said the Shamrock would have won by half an hour yesterday, Captain Carter replied: "Yes, I believe she would, she is a splendid boat, and certainly the slightest blow, the Shamrock is magnificent boat to windward."

It is reported that the New York Yacht Club has consented to the Shamrock being towed by the very narrow margin. The event of being becalmed in crossing the Atlantic.

COLUMBIA DEFENDER. (Associated Press.) Newport, R. I., July 21.—In the yacht race today the Defender crossed the line at 11:16:20; the Columbia at 11:16:28.

COLUMBIA OUTSAILS DEFENDER. (Associated Press.) Newport, R. I., July 22.—The Columbia and Defender had a friendly brush for a couple of hours this afternoon. The Defender had more sail in light and baffling air under a breeze from the north. The latter towed a sprit for champagne difficulty in reaching the start. A short eighth of a mile left to be an able boat a stiff breeze.

SHAMROCK BRITS. (Associated Press.) London, July 22.—The Shamrock and the Britannia trials are of no special importance to form any lengthier's capability yacht. The Shamrock is reported to be 100 tons last season was Shamrock beaten by the Britannia by 13 minutes and 20 seconds. Yacht Racing Association would have the Shamrock sail 40 seconds. Continuing "Taking into consideration the leisurely manner in which it was sailed, it may be remarkably fast vessel, especially in the second half mile. It is no doubt that she is in the stays. If the thing like the Britannia rock's performance in the trial races and test secondly Hyle Pier to the National highly creditable."

SHAMROCK ON. (Associated Press.) Glasgow, July 24.—The other ship this morning and back. This will be a trial on British waters.

LAWN TENNIS. THE LEGAL T. The entries for the club in the tournament of the Tennis Club closed yesterday. The event will be in on Wednesday and corrected list of the tournament: Singles. A. T. Goward (owe 30) D. B. Rogers (owe 15) (owe 15). B. Schwengers (owe 3) (owe 36). A. E. Jacob (rec. 14) (owe 15.2). R. B. Powell (owe 30) (scratched). F. T. Cornwall (scratched) (owe 4.6). J. F.
