The Barrington Toll Gate

night to Parnassus Centre, where Mrs. was darker than ever. A little space Bartlett's sister had been taken very ill, around the gate was lit up by the warngate alone. It was not a difficult task, ping the burglars, the suddenly thought little girl. You've saved me a great for scarcely anyone travelled over the Barrington Road after nine o'clock,

But even if it had been harder, Jennie would have been equal to it. She other, and that there was scarcely a house between. She even liked the solitude, and was almost sorry when and waited in the dark for the sound of the telephone connecting Barrington wheels.
with Leicester, made a connection by
It was not long before they came, dentally shut; anybody coming along might run into it without warning; for what might happen next. Present the Limbs indicate nervous disarrangement, forerunner of many organic and posts on either side. She hung a lan-side, and in a moment there was a rap tern on one post to prevent this acci- on the door. dent, and going in the house, locked the door and went to bed. The fact though her heart beat so loud that she that she was alone in the house did not | thought they must hear it outside. In disturb her in the least, and in a min- a moment the knocking ceased. ute she was fast asleep.

Sometime in the night she was suddenly awakened by the ringing of the telephone bell. She listened confused-ly to hear if it rang three times, which was the toll gate signal, or oftener to call up some of the other people on the same wire. Two of the connections she knew were in Leicester, the third and fourth was in the Barrington Bank, can splice the shafts with the halter." the fifth in the tannery, and the sixth in the central office at Barrington. In breathed more freely. If the shafts the bewilderment Jennie could not at were broken, it would be a work of first determine how many times it did some minutes to mend them, and the ring; but at last she decided it was six pursuing party might yet arrive in -for the Barrington central office. time. Mr. Allen, who Jennie knew to That did not mean the toil gate, and be the President of the Leicester Bank. Jennie prepared to turn over for had the fastest horse in the country. another nap, when a sudden thought and ought to be able to make up at aroused her. It was certainly after least, ten minutes in ten miles. For a midnight, and the central office did not while there was quiet outside. The keep open later than twelve o'clock. men were evidently working at the The bank too was shut up, and so was shafts and only the stamping of the the tannery; on the whole line she was horse's feet gave any signs of life. probably the only person who could hear Jennie began to get nervous, and to the hell. What if it should be some- listen more intently for the pursuers thing important! Indeed, it would approach. By this time they could not hardly ring at that time of night unless be far off. Finally, unable to sit still it were important. Quickly jumping any longer, she crept upstairs, and sitout of hed, she ran to the instrument, ting down on the floor by the open put the receiver to her ear and called window of the attic, ventured to look through the transmitter, "Hello! hello!" out. The white horse was quite dis-A voice came back to her so distinct | tinctly visible as it stood by the gate, that it seemed almost in the same room, but the men, bending over the wagon.

tone was quick and sharp, and Presently they seemed to have finished, Jennie felt sure that something must and backing the horse around, proceedhave happened. "No. sir," she called; "its the toll the others never come? The gate was gate. I'm Jennie Bartlett. "Tell your father to come here right fear that burglars would not find that

into Barrington at all?" one voice ask- time the pursuing wagon was dangered. "Why not stop them at the toll ously near.

"To be sure!" said another. "If they man, pulling back his horse to escape get past the gate, like as not they'll its sweep. turn down the Riverton road, and The other pushed and the great bar throw Allen off the track. They can't swung slowly back. But before it had turn off before they get to the gate; we opened wide enough to let them are sure of them as far as that."

"Tell the girl-" and then the speak- upon the scene. er turned away and Jennie caught only a confusion of sounds. Presently she heard another "Hello!" shoot you down."

"Hello!" she responded.

was out of the world. Leicester seemed | Jennie smiled. "Father isn't at all at once hundreds of miles away. home, sir," she said.

"Oh, well, your mother, then, or any But what was it she must or must not do? Why had not the connection one who keeps the gate." "Mother isn't at home, either, sir lasted a minute longer, when her instructions would have been complete? I am keeping the gate." When were the robbers expected? The gentleman looked at her in sur-Jennie had made a little calculation. "You!" he exclaimed. "What made It they had been gone thirty minutes before anyone started in pursuit, that | these fellows stop here?" would earry them, by fast driving, halfway to the toll-gate. If ten minutes

had gone by before the telephone bell had rung, she might look for them within half an hour. What was she to "Yes, sir." "You don't usually shut the gate at The conversation she had overheard nights ?" came to her mind. "Stop them at the "No, sir, but I did to night." toll gate," one of the voices had said.

Very likely they would have told her to do that if the telephone had kept on.
But how could a little gurl arrest two armed and desperate men?
By this time she began to feel silly.

They telephoned me about it from Leicester, sir," she said, briefly.

"Did they tell you to shut the gate?"

They telephoned me about it from Leicester, sir," she said, briefly.

"Did they tell you to shut the gate?"

Kendall's Spavin Cure. The Most Successful Remedy ever discovered, as it is certain in its effects and does not blister. READ PROOF BELOW.

saying, Hello ! is that the central office? were hardly more than an outline. Hamilton, Mo., June 14th, 1881.

B, J. Kendall. & Co.,—Gents:—This is to certify that I bave used Kendall's Spavin Cure and have found if to be all it is recommended to be and is fact more too; I have removed by using the above Calcous, Bone Spavins. Ring-bones, Sprints, and ed to hitch him in the shafts. Would not yet opened but Jennie began to

y for years.

Respectfully yours,

P. V. CRIST. the woods came the sound of horses' KENDALL'S SPAVIN CURE.

NEW HAMBURG, ONT, Dec. 28th, 1881,
MR. F. H. McCallom, Dear Sir:—The bottle of
Dr. Kendall's Spaxin Cure, bought of you last
summer, gave me the utmost satisfaction and performed a wonderful cure upon a mare nincteen
years old, belonging to me, which was badly
spaxined for ten years. She was so lame that I
could hardly get her to move. The lameness is
entirely gone after using half a bottle of the cure,
and she is like a young horse again.

Yours truly,

J. F. ROTH. "Open the gate," she heard one of His companion went to it and vainly From the Oneonta Press, N. Y.

it!" he cried. "They've put up a job on us here. I knew we didn't cut that wire quick enough.

It was a minute before the burglar's skill could pick the lock, and by that time the pursuing wagon was dangerously near.

"Open the gate!" shouted the first man, pulling back his horse to escape its sweep.

The other pushed and the great bar swing slowly back. But before it had opened wide enough to let them through the other wagon had dashed in upon the scene.

"Stand where you are," Jennie heard Mr. Allen's voice call out, "or I'll shoot you down."

What immediately followed Jennie did not see, for leaving the window, she could not see, for leaving the window, she did not see, for leaving the window she did not see, for leaving the w

"Hello!" she responded.

L. T. FOSTER.

KENDALL'S SPAVIN GURE. ON HUMAN FLESH

PATEN'S MILLS, N. Y., Feb. 21st, 1878.
B. J. KRNDALL & Co., Gents:—The particular case on which I used your kendall's Spavin Cure was a malignant aukle sprain of sixteen months standing. I had tried many things but in vain, your spavin cure put the foot to the ground again, and, for the first time since hart, in a state of the property of the control of the standard property of the standard pr

nything we ever used.
Yours truly.
REV. M. P. BELL.
Pastor of M. E. Charch, Patton's Mills, N. Y. Kendall's Spavin Cure s sure in its effects, mild in action as it does not blister, yet it is penetrating and powerful to reach every deep-seated pain or to remove any bony growth or other enlargements, such as spatin, splints, curbs, ringbones, callous, swellings, and any lameness and all enla gements of the joints or limbs, or for rheumatism in man or for any purpose for which a liminent is used for man or beast. It is now known to be the best liminent for man ever used, acting mildly and yet certain in its effects.
