A STORY OF LHE LATE WAR, BY JULIAN

PART II.

(Concluded.) ranks, and there had been an especial away. ortality among our officers. Reinforcements were sent on as expeditiously as possible, and with them arrived Sebastian Mayne. Bronzed and hard-The sternness was, no doubt, in great measure external only-a coat of mail such as soldiers are fain to wear above There was a certain spot on the river's Curwin sprang up with a wild shrick, their hearts—but the gravity and the growth of character had a deeper source.

He told me by degrees the history of He told me, by degrees, the history of the years since we had last met; hew he bed stuck to his determination to no all where only, it was practicable to long down the bank, where an old punt lay moored, and, almost sooner than it week, some Confederate marksman, had stuck to his determination to pay all his father's liabilities before doing anything else, and, after a long series of disappointments, how an unexpected run of good fortune had enabled him en ventured to expose himself in that men ventured to expose himself in that vicinity. His aim was deadly, the men being usually struck either in the men being usually struck either in the held the rank of major. Of his private adventures in the great struggle he said little or nothing; but his renown was not silent in the mouths of others. It struck me, however, that, when he fell, he saw the bushes parted aside on the opposite shore, and a young fellow appeared with a broad-brimmed hat on his head.

men ventured to expose himself in that vicinity. His aim was deadly, the men being usually struck either in the to look after King. But he who lay dying there was not King; it was Sebastian Mayne.

His eyes met mine and he recognized me. I bent down towards him, and he whispered, "It's all right. I drugged him: I intended this. It was the best way out of it."

Notary Public, Conveyancer, &c., Optice—Over Mr. John Brandon's Store; Entrance Side Door.

Newcastle, Miramichi, N. B.

WM. A. PARK, state of the source of the conflict, should be developed and inculcated by other means than the sword. In short for I may as well state my impression, be it correct or short superstations are superstated as the sword in the sword in the sword is the state my impression, be it correct or superstations and a poung fellow appeared way out of it."

I drew him tenderly up to where a hummock of turf, fallen from above, served him as a pillow. I poured some brandy down his throat. "It was for her," he said. "Never let her know it."

The spiash of oars sounded close at hand. I looked up. Curwin had already returned with his dark-haired freight. The boat slid up on the beach; he lifted out his burden. As I looked up to the strength in the superstations are supported as the supported as the superstations are supported as the supported as the superstations are supported as the suppo The two men were almost at the opon Mayne.
