Insured at Once:—Mr. Warren C. Way.

Coun. Betts considered the Councillors

Coun. Smith thought there was the money. In what County expense as a place of custody for County expense as a place of custody for the sher. Winslow has been authorised by the British America Assurance Company to accept all classes of fire risks, issue policies and make endorsements, without delay or reference to the head office.

Coun. Campbell said the Councillors necessity for a barn to be provided at tormerly divided the money. In what better way could it be done? The Councillors knew better than any committee how to divide it.

Coun. Smith thought the matter could county had nothing to do. The jailer, as NELSO

base now held by him for 21 years at \$34

to bring it before the Council by petition. made a dumping-ground for mill refuse payment of the bills presented in the fol-Coun. Betts said it had been before the they had gone no further. Instead, Council, exhaustive evidence had been therefore, of doing their duty they came taken, and a conclusion had been come to. | to Council and without giving any information as to the cost of the proposed "repairs," asked authority to spend what

Council that there was not and never had been anything to repair, but it was simply a new wharf that was proposed to be built, and while it might be necessary to do that it was wrong in principle to give any committee unlimited power to expend County money in any locality, He, therefore, moved that the matter be deferred until the Januray Session so that the Wharf cammittee might be able to give Council an idea of what they proposed to do and about how much the new wharf would cost,

Warden Morrison said the placing of the act.

Coun. Branstield said the object of the amendment was, evidently, to prevent the private prosecutors from getting anything, and he could not support it.

Coun. Betts moved in amendment to the amendment that the matter be respected on a committee of five, to reports in half an hour. Lost.

The amendment was lost, 11 to 13, and the original motion was carried by the casting vote of the Warden. Yeas—Price, Bamford, Tozer, Russell, Sutherland, Betts, Cameron. Fowlie Bed Budge wooden one—is overrun with bed bugs and she asks for an "effective" remedy. Ans. Take your beds apart: place them all in one empty room and fumigate with sulphuric acid gas. That is, having piles the matter be forewin are well exposed, burn in an od pot two or three lumps of brimstone, closing all doors and windows. Leave the room in this condition half a day: then air it and replace the beds in their proper places. See that no one enters the room while undergoing fumigation as the gas is poisonous.

R. On reassembling at 2 p. m.—

Coun. Bransfield enquired as to whether

Council that there was not and never had the committee appointed in January to been anything to repair, but it was Adjourned until 3 o'clock for Committee | to do that it was wrong in principle to

wharf would cost,

Warden Morrison said the placing of rubbish there had enchanced the value of the property provided some necessary work were done. The place is daugerous work were done. The place is daugerous at present. The cost would not be much.

Adjourned for supper. The rubbish should be leveled, an abutment built, and the Custom House authorities induced to extend their drain. Coun. Smith said he understood that the parties who put the rubbish there did it contrary to the expressed wishes of the committee or some of its members; at such rental as the reduced value of the least a contrary who now seemed to Coun, Smith said he understood that
