In June last, at Wolfville, the governors, Senate and Alumni of Acadia appointed nine of their members a Joint Committee to arrange for a celebration of the completion of the period of fifty years since Rev. Dr. Sawyer commenced his work at the college in 1855. The committee decided that the testimonial to be presented should be a purse accompanied by an album in which all contributors should be at liberty to give brief expressions of appreciation of the recipient and his labors in behalf of our institutions at Wolfville. Accordingly, circulars were sent to all graduates whose addresses could be obtained and to many others to whom it was thought it would be a pleasure to join in the project. Responses are coming to hand daily and no doubt will continue to come till anniversary time.

The committee are conscious that a great many persons must have been overlooked by them, who would be very happy to unite in this undertaking and in simple justice to them this note is published inviting all such to forward their contributions to the treasurer below named so that he may receive the same not later than June 3rd.

Wednesday, June 7th, will be the anniversary day and it has been arranged that the presentation will be made at the close of the usual proceedings of that occasion.

E. M. SAUNDERS, Chairman of Com.  
B. H. EATON, Treas.

### INTERNATIONAL CONVENTION, TORONTO, JUNE 23-27.

On June 23-27 there will be held in the city of Toronto the largest Convention of Sunday School Teachers that has ever gathered in the Dominion. Representatives will be there from every Province in Canada and every State in the Union, probably over 3000 delegates. The railroad rates are one first class fare from point of starting with standard certificate, and return free three days after Convention, with the privilege of having the time extended to August 25th, by the payment of \$1.00. It would make a most delightful trip as well as an exceedingly profitable one to those engaged in Sunday School work; they would meet the brightest and most progressive minds on the Continent, and hear the most important questions connected with the work discussed. Toronto itself is a beautiful city, and there would be ample time to visit other portions of Ontario.
