THE SUNDAY SCHOOL ATHLETIC LEAGUE.

Two more events in connection with the Sunday School Athletic League spring series, were held last night and proved even more interesting than those of Tuesday. A large number of spectators witnessed the events, and a large deputation from each of the different clubs attended to encourage their representatives. The 12 pound shot put for boys 15 and 16 years was won by V. Kirk (Portland street church), 24 feet 10 and a half in.; 2nd, J. Steen (Port. St. Ch.), 23 feet 5 in.; 3rd, H. McCoy (Centenary), 22 feet 4 in.; 4th, F. Thompson (St. Stephen's), 21 feet 1 in. In the running high jump for boys 12, 13 and 14 years, first place was captured by Kirk of Portland street church, with Holder (Trinity) second and Thomas (Trinity) third.

PLAYERS ALREADY SIGNED TO PLAY IN LEAGUE TEAMS

Marathons Will Receive Four Imported Men Today, while Two are Coming for St. Johns—How the Other Teams are Shaping up.

That the two senior ball teams, which will represent St. John in the New Brunswick and Maine ball league will be in a position to put up a good article of ball this season is now assured. The best of the local players have been signed on by one or the other of the teams and they will be aided by imported players. On this morning's train from Boston will be six ball players, four for the Marathons and two for Harry Ervin's St. Johns. For the past few days the local managers have had scouts in the Hub picking up good ones and their labors have been crowned with success. Manager Donald, of the Marathons, will have a battery as well as a second baseman and shortstop, and these players will be in the number to arrive today. With these six players the Marathons will present a strong lineup. The local players signed on that team include Roster, Bradbury, Nesbitt, Clawson, Lynch, John Malcolm, Dr. Malcolm and Riley. This, aided by the four imported men, looks like a formidable aggregation.

As an interesting coincidence, a battery for the St. Johns will also arrive on the Boston train today and they are supposed to be particularly good ball players. In addition to these Manager Ervin has signed the following local players and will be in a position to give the best of the league teams a good stiff argument: Eddie Ramsey, D. J. Brett, M. Harrington, H. Chase, Jas. Bovard, Albert E. McNutt, Jas. McGowan, J. Fred Mahoney, Bernard Cribbs and Chas. McCormick.

The Marathons had a workout last evening on the Shamrock grounds and the St. Johns will practice tonight.

As an interesting coincidence, a battery for the St. Johns will also arrive on the Boston train today and they are supposed to be particularly good ball players.

Up to yesterday the other league teams have signed on the following players:

The Woodstock people are greatly worked up over the coming battle and a full list of their players will be on hand in a few days.

The Woodstock Ladies have the baseball cruse and have started in to raise \$100 to pay for the team uniforms.

Frederick is not going to be left in this sort of a race as the following article in yesterday's Gleaser shows:

The executive of the Frederick Baseball Club held a meeting at Mayor Thomas' office at city hall last evening. Present James Farrell acting as chairman.

The ladies of Frederick are to be asked to emulate the example of the ladies of Woodstock and raise sufficient money by some scheme of their own, possibly a Tag Day, to pay for the uniforms of the team.

In Woodstock the ladies are raising \$100 for this purpose and it is felt that the ladies of Frederick will do equally well.

It has been found possible to have the new uniforms for the opening game on Victoria Day and in the meantime a committee composed of Aid. Hooper and Aid. Wilkinson and of the ticket committee and has several capable associates in the work.

Aid. Guthrie is the chairman of the fence and police committee and will see that the fences are properly protected.

Frank T. Thomas has been elected secretary of the club and entered upon his duties last evening. Aid. Wilkinson has been appointed chairman of the ticket committee and has several capable associates in the work.
