THE PATRIOTIC FUND TO HAVE COUNTY HELP

A grant of \$25,000 will likely be forthcoming from the municipality.

Preliminary steps were taken at the Municipal Council yesterday afternoon in a movement to provide \$25,000 for the Canadian Patriotic Fund.

Councillor Potts made a motion that the bills and bylaws committee be instructed to prepare a bill to present to the local Legislature authorizing a special assessment for the purpose of raising \$25,000 for the Canadian Patriotic Fund and the recruiting fund.

Councillor Potts in making the motion dwelt upon the fact that the coming year would undoubtedly be a hard one so far as funds for recruiting are concerned. He said the local Patriotic Fund was almost exhausted and thought it was up to the municipality to make some provision for this fund.

The money raised would come out of the taxpayers of the city and county. He suggested that one-fifth of the amount be used by the recruiting committee and the balance be given to the Patriotic Fund.

Councillor Howard in seconding the motion expressed himself as strongly in favor of doing something for the Patriotic Fund. He said the Municipal Council had been criticized for spending too much money, but so far as he was concerned he was willing to vote the last dollar if necessary for this purpose. He felt that the money should be raised by general assessment.

Warden McLellan thought the question a serious one that should be considered by the city as well as the county representatives. While heartily in accord with the idea of doing something for the fund, he thought a proper committee should be appointed to go into the matter thoroughly. He said that any change in the assessment law should have calm consideration.

Councillor Wigmore was in favor of making some provisions for the Patriotic Fund. He thought it disgraceful that there was more going out of the provincial fund than was coming in and that the St. John branch was depending on contributions from the rest of Canada.

He said the amount contributed by St. John was smaller than in any other municipality in Canada.

The whole \$25,000 should be given to the Patriotic Fund and if more was required for recruiting purposes it should be dealt with independently.

Councillor Frink said the Canadian Patriotic Fund is a national institution and the officers of the association should be consulted.

An amendment, moved by Councillor Frink and seconded by Councillor Russell, that the matter be referred to a committee of seven members, to be appointed by the Warden and that they report back to the council at a special meeting to be held in December, was adopted.

NATURAL HISTORY SOCIETY AT WORK

First meeting of season last night—New specimens for the museum.

The first meeting of the season for the Natural History Society was held in their building on Union street last evening. The president, W. F. Burditt, was in the chair. The meeting took the form of a round table talk. In a few well chosen words the president welcomed the members back after the summer recess. Then the business of the meeting was begun. The following new members were elected:

Associate members—C. A. Robinson, Mrs. C. A. Robinson and Mrs. Blanchard Fowler.

Junior associate members—Misses Florence Coster, Kate Disher, Jean Penton, Alice Hayes, Lou McDermid, Leslie Pickett, Marjorie Purdy, Marjorie Robinson and Dorothy Simonds.

The following donations were received:

Horned toad and Chinese ornament, a relic of the earthquake and fire in San Francisco, Mr. and Mrs. B. R. Humphrey.

Annual register for the year 1798, Mrs. Joshua Knight.

Watch brought from Scotland by Thomas Phillips, known to be at least 114 years old, old snuff box, samples of the first paper made in St. John in the old Philips mill at Little River, and a number of interesting old books, Miss Phillips.

Curious geological specimens, James T. Kirk, Sussex, N. B.

Lace bark from the West Indies, old sword, a relic of the battle of Vinegar Hill, French bayonet, relic of the Franco-Prussian war, and sword of a swordfish, James Sandall.

Indian stone adze, ivory nut and pair of shark's jaws, Merville Dykeman.

Many interesting Indian relics from the following junior members:

Frances Jordan, Gerda Holman, Constance Coster and Minnie R. A. Taylor.

Indian spear head, Mr. Chase.

Indian relics, Duncan London.

Indian relics, David Balmann.

Indian implements, Nathaniel McDonald.

Shuttle used in weaving, Miss Ayre.

Cocoon, as it comes from the tree, Ronald J. Hall.

After the presentation of these donations there was a general discussion regarding the interesting articles presented.

The model of the new bridge at the reversing falls has been loaned to the society by A. R. Springer, the engineer who erected the bridge, and has been placed in the museum. This model attracted much attention some time ago, when it was on exhibition in the window of W. H. Thorne and Co.'s store.

Various other matters of interest to the club were discussed.

The monthly meetings hereafter will take the form of a round table talk, in which anyone present may take part. These meetings will be illustrated by specimens and lantern slides.

To Patriotic Fund.

Silam Lodge, I.O.O.F., at its meeting on Monday night, voted the sum of \$25 to the Patriotic Fund with the understanding that the amount would be increased to \$50 by the end of the year.

A GROUP OF POLISH PEASANT WOMEN REFUGEES AT A MILITARY CAMP

REFUGEES HAVING A MEAL AT A MILITARY CAMP IN FIRING ZONE

A group of Polish peasant women refugees having a meal at a military camp in the firing zone is shown in this picture. The women seen in this group are typical. Their dresses outlive Joseph's coat in the matter of color. The skirts are of yellow, purple, green and red stripes; their bodices are of other hues; their necks and breasts are adorned with beads and somewhat barbaric ornaments; on their heads are scarves of white or of a glaring color. The food they are eating is a grain, in appearance like barley, called kasha.

TOURED TWO COUNTIES

LOOKING FOR RECRUITS

Successful party went through Queens and Sun-

bury counties and secured men.

Nine recruits were secured and twenty more men promised to enlist as a result of a very successful tour made by a party from St. John headed by Walter C. Allison through Queens and Sunbury counties. Others who assisted in the work were: R. B. Patterson, M. E. Agar, Lieut. F. deL. Clements, Lieut. H. M. Teed, J. M. Robinson, Rev. F. S. Porter and W. C. Allison. F. J. G. Knowlton and Rev. Capt. Thos. Harrison of the 6th Battalion joined the party for a night during the campaign.

The party left the city Saturday, September 25, in W. C. Allison's large car and toured to Mr. Patterson's camp at Petersville.

The first meeting was held at Welford on Monday evening. H. W. Wood, M. L. A. occupied the chair. The speakers were M. E. Agar and Rev. F. S. Porter. On Tuesday at Father Carleton's hall at Petersville Father Carleton occupied the chair.

They visited Fredericton Junction on Wednesday evening. Mr. Belyea occupied the chair and the speakers were M. E. Agar and P. J. G. Knowlton. On Thursday afternoon the party attended the opening of the new bridge at Armstrong's Corner and turned the gathering into a recruiting meeting. M. E. Agar and Lieut. F. deL. Clements composed the speakers from the party. W. B. Fowler presided and H. W. Woods extended the welcome to all present. In the evening they visited the pie social at Patterson's Settlement and turned it into a recruiting meeting also.

The party broke up on Friday, but Lieut. Clements held a meeting on Friday at Clarendon. Rev. M. E. Fletcher spoke on recruiting.

The net result was nine recruits and the assertion of twenty more of their intention to join in the near future. The members of the party report that the people were very responsive everywhere.

INFLAMED SKIN

SOON SOOTHED

BY POSLAM

If you are not familiar with the rapid action of Poslam in the treatment of skin troubles, you will be astonished to see how readily it takes hold and accomplishes its work.

Eczema, Acne, Tetter, Psoriasis, Skin-Scalp, Salt Rheum, Barbers' and all forms of itch are especially responsive to its remedial virtues. Slight troubles such as Pimples, Red Noses, Rash, Complexion Blemishes, etc., respond so readily that over-night treatment is oftentimes sufficient.

And as to the way you use it—ordinary soaps irritate, try Poslam Soap, medicated with Poslam.

For samples, send 10c stamps to Emergency Laboratories, 32 West 23rd street, New York city. Sold by all druggists.
