WEDDINGS.

Reid-Russell.

A very pretty wedding was solemnized at the parsonage of Rev. J. A. MacKinnon, of St. David's church, when Helen Ada Russell, daughter of Mr. and Mrs. E. S. Russell, of 307 Charlotte street, St. John city, was united in marriage to George Howard Reid, son of Mrs. Richard Adair, of Gardner's Creek, N. B., on Wednesday at 11:30 o'clock, May 11th. The bride and groom were attended by Mr. Olin Taber and Mrs. Herman Tapley. The bride was attired in a very pretty sand colored dress with picture hat to match and carried a bouquet of pink and white carnations. After the ceremony a dainty luncheon was served at the home of the bride's parents. The groom's present to the bride was a string of pearl beads. The bride's going away dress was a tailored-made suit of fawn, with broadcloth hat to match. The happy couple left on the noon train on a trip through the upper part of the province. On their return they will reside on Charlotte street of this city.

OBITUARY

W. McF. Howie.

Fredericton, N. B., May 11.—A heart attack following an illness of little more than two weeks during which acute kidney trouble developed from a gripe caused the death of Walter MacFarlane Howie, aged 23 years, a reported on the staff of the Gleaner, this morning at Victoria Hospital.

Following graduation from high school he had attended the provincial normal school and then went into newspaper work. He had taken a lively interest in athletics, played baseball and football and was one of the most active young members of the Fredericton curling club. Last winter he was secretary of the Fredericton hockey club in the New Brunswick hockey league.

Mrs. B. C. Barclay Boyd.

The death of Mrs. B. C. Barclay Boyd occurred yesterday morning in the General Public Hospital, following a short illness. She had not been well all winter, but was seriously ill only a short time. She is survived by her husband, one daughter, Mrs. W. J. Starr of Redwood, two sisters, Mrs. Ronald Grant of Montreal and Miss E. B. Adams of this city, and one brother, W. H. Adams of Montreal. The funeral will be held on Friday afternoon at three o'clock from the Mission Chapel. Many friends will deeply regret to learn of her death.

James Cook.

James Cook, probably the oldest resident of this city, died Tuesday night, aged 102 years, at the residence of his grandson, in West St. John. Mr. Cook was a life-long resident of St. John, and leaves a long line of descendants to the fourth generation. Although past the century mark, he was wonderfully active and kept in touch with present events. Until quite recently he might often have been seen walking about the streets, and although bent with age, he nevertheless carried his years well. He had a remarkable fund of stories about the olden times and remembered incidents which happened in this city in the early forties. He passed away peacefully about 7:40 o'clock, following a weak turn, which brought to a close an eventful life that had witnessed great changes and had seen his city grow from a small town to a large city.

He leaves to mourn four sons—George of Boston, James and Joseph of this city, and John who went overseas during the war and whose whereabouts are not known. He also leaves one sister, Mrs. Minnie DeWolfe of this city, besides fourteen grandchildren and nine great-grandchildren. The funeral will take place today from the residence of his son, James Cook, 23 Delhi street.

Don't Neglect Your Skin

Ladies—A few days' treatment with CARTER'S LITTLE LIVER PILLS will do more to clean up the skin than all the beauty treatments in creation. As the perfect complexion is caused by a sluggish liver, millions of people, old, young and middle aged, take them for Blemishes, Dimples, Freckles, Dark Spots, and for Sallow, Puffy and Itchy Skin. They end the misery of Constipation.

Small Pill—Small Dose—Small Price

In a little over ten days
The April price was 69 cents per pound.
Cheese has also dropped from 90 cents per pound to 15 or 16.

TORPID LIVER FOR OVER 4 MONTHS

The duty of the liver is to prepare and secrete bile and serve as a filter to the blood, cleaning it of all impurities and poisons.

When the liver becomes lazy, slow or torpid it is not working properly and does not supply sufficient bile to thoroughly act on the bowels and carry off the waste products of the system, hence the bowels become clogged up, the bile gets into the blood, constipation sets in and liver troubles follow.

Milburn's Lax-Liver Pills quickly remove the secretions, clear away the waste and effete matter by acting directly on the liver, and making the bile pass through the bowels instead of allowing it to get into the blood, and cause so many troubles.

Mrs. Alice Mehl, Napanee, Ont., writes—"I was very badly run down and had a torpid liver for four months. I tried several remedies, but got no relief. One day my husband brought me home a vial of Milburn's Lax-Liver Pills, and before I had used half of it I was much better. I only used two vials, and I am a different person today. I can safely recommend Lax-Liver Pills to any one troubled with liver trouble."

Milburn's Lax-Liver Pills are 25c. a vial at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
