

England, 27 days less.  
The thermometer at  
sad for two degrees below zero  
morning.  
The New Brunswick Railwa  
pany have in contemplation a bo  
their road from the Kent sta  
the valley of the St. John River,  
from the St. John River,  
the head waters of the Miram  
Nashwaak to their vast territ  
head waters of the Tobique. The  
of lumber made available by  
branch is limitless.  
A heavy storm of wind and  
prevailed here from an early  
On Friday afternoon, Henry  
Moncton, while at Jones Mill,  
between two lumber cars, on a  
see if they were attached  
train, when the train  
and two fingers of his  
were caught by the bumper  
was dragged along under th  
some distance. The two fin  
literally pulled off, but he su  
other injuries.  
The body of the young man  
Hagerly, who was drowned  
near Indian town, was found  
the noon.  
The ex-Empress Eugenie  
Napoleon, at Paris, on Friday,  
put all thoughts of politics aside  
the no care for anything but the

on their heads and  
of queer contentions.  
that he left the asylum for,  
ing business was now  
ed to speculate in barges  
t appears he labors under  
tion that he is worth a  
out of money, and on  
noon inspected the barges  
the Canal Basin, with a  
chasing them. Deputy  
od has telegraphed to the  
ties that he has been  
a keeper will doubtless  
to-day.

the course of a day or two will present  
a beautiful appearance. The decoration  
is to be carried out on an extensive  
scale, and to judge from the designs  
will look quite elegant. The walls  
have been tinted, and the steam pipes  
are nearly completed. The tables are  
in an advanced state, and two new  
circles of gas jet have been su  
from the ceiling. The decorative  
consist of portraits, painting, ever  
flags, banners, and illuminat  
does, Mr. Gouin, of the Russell  
located. In fact, everything is ap  
greatest admirably. Seating  
modation will be provided.

shortly after started for Port Caldwell,  
on the Columbia River, adjoining  
Washington Territory, in the United  
States, where he pursued the object  
of his ambition with more or less  
success. He was not satisfied, however,  
and thought he would cross the Rocky  
Mountains to the Prairie Province. With  
the object in view, Mr. Nash, along with
