she proposed accepting an invitation for a started my writing you this garrulous letter Goes West to Wed. month's visit from our Cousin Henderson, Miss Alberta McQuinn, accompanied by her younger sister, Miss frenc, will leave Halidax on the 30th inst. via the C. P. R. for Calgary (N. W. T.) On her arrival she twill participate with Rev. H. Loche Kempton in a very interesting ceremony. The gnoom to be is a native of Milton, Queens county (N. S.) and is a to gradu-ate of Acadia. Last June after receiving his diplome from McMaster he went west, assuming charge of the Beptist comgregu-tion at Ohetoiks, a flourishing town a little south of Calgary. After the ceremony, which is to be performed by the Rev. Wurn, Litch, who is pastor of the Baptist church at Colgary and a '91 B. A. of Aca-Miss Alberta McQuinn, accompt in Northern Wisconsin, and then insisted

church at Colgary and a '91 B. A. of Ac dia, the happy couple will trike a trip some of the leading western towns, inclu ing the famous springs at Banff. Miss Mi Quinn is the eldest daughter of Jamo McQuinn, of the agroutitutal office, Hal and remarked impsessively : 'Margaret,

this boy is yours until we reach Cousin Henderson's; Arthur, don't dare address me as anything but Cousin Mollie, until I certain a remed give you permission.'

perfectly. But such a time as we've had! of Ter ut Nervilin and the main Nerviline. Price fusal to take anything; so, at last, I accept- to assist her in her ruse.

ed a handful of shelled nuts, with 'Thank you, I will,' and sat and gazed out of the window, calmly eating them until that joined in wi h: 'Dew tell! Well, I never!' idiculous Margaret broke down and paid We both put on our glasses and examined 'However, she kept her countenance very

well usually. But she said she was thanktwo ful when we arrived here and I was safely Soon, emboldened by the success of this trick, she confided to us her mortification at tucked up in bed-which, I am afraid, was a reflection upon my innocent efforts to en-tertain her And I really behaved very limp, caused by a cork limb. We told her that we never would have not ced it that nicely, having no more trouble in raising not our attention been called to it my window than young ladies usually ex-We saw that Arthur called ber 'Cousin

perience when there is a fine looking young gentleman near by to assist in the operation Mollie,' and the other lady 'mamma,' and politely accepting every morning and even finally I remarked: 'The litle by has ing paper published in Chicago or Milwaucyes very much like yours '

kee from as many different gentlemen; and Arthur-good boy!-fared sumptuously on apples and orangos, propitia'ory offerings. But such a joke as we had yesterday! Every one goes up the river in the morning on a little excursion steamer, and we with the rest, of course. We chanced to take seats a little apart from all but two elderly he wrote her a farewell letter, and took the ladies in plain, homemade gowns. They first steamer for Senegambia; while a wig eyed us with great curiosity, seeming much the was always obliged to wear came off at a picnic, and her appearance so frightened 'I was longing for some fun, and actually her third lover, he hadn't spoken to her

I was longing for some fun, and actually could not resist making use of such a good opportunity. My handkerchief slipped to the floor, and when one of them returned it to me I said Thank you; I did not notice it. A glass eye is not very serviceable.' "They exclaimed 'Law sakes,' and 'Dew tell,' and examined my eyes intoully to note the difference between the two. "Soon after we all moved to gain a better view of the river, and I asked if they thought my limp very noticeable. Then there were more exclamations as I sadly told them how inconvenient it was to have a cork limb. "ANNIE T arson"

"Then one of them thought Arthur's eyes esembled mine, but as Margaret's eyes are and heartily over this comical the next Western wail carried the same color, the cousinly relationship afthe same color, the cousinity relationship at forded a reasonable explanation. I remark-ed that I never expected to marry, having the next Western and the next western and the addressed by Alice to 'Mire rence'--now in the Wisconte containing only Mrs. Rarson been disappointed three times-the first out note or comment. gentleman breaking off the engagement be-

cause I could not dance; the second on account of my eye, and the third because I wore a wig. 'They protested with great warmth, druggists refan against such heartlessness, until Margaret E. W. Grove's si in mre is on caul box, 250,
