MINISTER TALKS OF REV. DR. MORISON CONDITIONS HERE DECIDES TO LEAVE

Says the Dry Dock Plans Are **Nearing Completion**

THE NEW WHARF

Will Be Ready for Use in July, Says the Resident Engineer-The Empress Steamers-Telegraph's Announcement About Mr. Hay's Coming Corroborated.

Wednesday, June 15. Hon. Dr. Pugsley said that so far as the preliminary work in connection with the dry dock and shipbuilding plant, to be estimated for the chicago despatch: tablished here, is concerned, matters are going forward very satisfactorily. He also corroborated the statement in yesterday's Telegraph that President Hays, of the Grand Trunk Pacific, is expected in St. John in about ten days' time to make a personal inspection of the terminal site Dr. Pugsley said:

I saw the chief engineer of the company, with which Sir Robert Perks and Messrs. Harland & Wolff are connected, a few days ago and he informed me that plans for the ago and he informed me that plans for the work at St. John are nearing completion. The department is continuing the borings at Courtenay Bay, and one of the principal objects of the borings is to furnish information to the dry dock company with regard to the formation of the bottom. This is necessary, as the company is very desirous of securing a location with a rock bottom upon which the foundations can be laid."

Regarding the wharves now being built

Regarding the wharves now being built by the government at West St. John, the minister of public works said that he had been informed by the resident engineer that the wharf now nearing completion will be ready for use in July.

When asked about the rumor that the

Vien asked about the rumor that the C. P. R. would withdraw the Empress steamers from the St. John route, Dr. Pugsley said: "No application for such a change has been made to the government, and I do not think that the people of St. John need have any fear in this respect. The contract was made by the government. The contract was made by the government with the Allans, who sub-let part of it to the C. P. R. This contract requires them to bring their steamers to St. John during the winter months and it will not termi-

TO PROSECUTE ALL MILK DEALERS WHO

Wednesday, June 15.
At a meeting of the board of health summers ther yesterday afternoon it was decided to in stitute proceedings against all the milk dealers who have failed to take out a CHIEF RIDEOUT IS license for the current year. These number about sixty. The board passed an amendment to the milk regulations. Section 12, instead of reading as now, that the milk dealer will have to produce a certificate from a veterinary surgeon as to the inspection of his cows, was altered so as to permit of a certificate from an inspector under the dairy act being accepted. A large variety of other business was dealt with.
Several citizens asked the board for an extension of time to allow them to make proper sewer connections in their prem-lses. Several applications were also received for permission to keep cows within

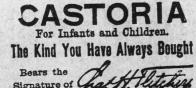

Dr. G. G. Melvin was present at the meeting for the first time in his official capacity as medical health officer. The reports of the inspectors were received.
