Church and State in England. The fate of the Established Church of asked to believe that the tried and able England may be considered settled statesmen of the country are hopelessly corrupt. There is not one of the men accused by this slimy adventurer, who lished in THE TRIBUNE. The fact that four hundred and eighty of the clergy with the insurance companies of Chicago ont their names to a petition for the esput their names to a petition for the esated a deep popular distrust of the whole body. If Episcopal clergymen may teach and practice Romish doctrines with impunity, how can these ing an Udderzook. The man who has doctrines be deemed contrary to the doctrines of the church? Why may not West Chester, Penn., began a career of

in full sympathy with Rome? If mem- Goss, an easy-going person, who had an element of the Church, represented by the widow and Udderzook to be the four hundred and eighty signers of the four hundred and eighty signers of the petition for the confessional, must be legislated out of it, or for the church to lose its old-time hold on the Protest and its disestablishment seems to be hot a question of time in either case. If

and its disestablishment seems to be but a question of time in either case. If the Ritualists seeded or are set apart and succeed in forming a church of their own, without acknowledging the supremacy of Rome, the Established Church will no longer count the majority of the kingdom among its adherents, and a minority church will not be able to maintain the position now held by the Church of Established of the count in the character of the man in the wagon and his supposed new acquaintance disappeared. Months afterward, the half-burled body of a murdered man was product in West Chester woods. This must have been the missing stranger; and the man who invited him to ride was probably Udderzook. The murdered man is supposed to be Goss, who, secreting about his person all his available funds, had been in hiding while the farce of collecting the \$25,000 due on his life insurance was carried on. Udderzook must be the Church of Established to maintain the position now held by the Church of Established to maintain the position now held by and a minority church will not be able to maintain the position now held by the Church of England. If, on the other hand, it comes to be settled that the confessional and other distinctive features of the Church of Rome may be legally employed by the elergy of the It will be found quite as CHEAP, and Retails gally employed by the clergy of the sue the revolting inquest.
