Restoring Grey Hair to its Natural Color and Beauty,

and so satisfied are those that use it, that they express their willingness to give their
testimony in its favor. One gentleman in particular, who had for years been accustomed to
use the most popular Hair Renewer in the market, has declared after giving the
"CINGALESE HAIR RENEWER" a fair trial, that it is far superior, it being much
quicker in its effect, and more durable. It also acts as a superior Hair Dressing, leaving
the hair beautifully glossy, and DOES NOT SOIL THE SKIN.
