From Weaning Time to Market

Your profit on every litter of pigs
depends upon the care given them
and their feeding.

To shorten the time required for
maturing means added profits for
you.

Pigs fed liberally on Monarch Hog
Feed develop bone and muscle quick-
ly and add sound, firm flesh rapidly.

The ingredients of Monarch Hog
Feed form an ideal combination con-
taining the correct proportions of
protein and fat to finish hogs in the
shortest time.

This feed used along with the pro-
per amount of roughage means better
proportioned hogs. More lean and

less fat. Hogs that ship with the
least amount of shrinkage. Hogs
that bring the highest price.

Pigs eat Monarch Hog Feed with
eagerness. It has a flavor that hogs
relish. It is as easily digestible as
it is palatable. It is as economical to
feed as it is profitable in results.
