Temple Building - TORONTO**On a Pedestal**

Those things we value most highly, as symbolizing the best in Art, in Science or in Literature, are fittingly placed upon a pedestal, where we can look up to them.

Figuratively speaking, we also place upon the pedestal of our imagination, those high ideals, those lofty aspirations, by which, in our more thoughtful moments, we would wish to guide our conduct.

Among those guiding principles, why not place upon a pedestal of its own, an ideal that may be better described as "Canada First," rather than "Made in Canada."

The "Made in Canada" movement stands for far more than mere commercial patriotism. Pride of country, pride of national resources, pride of national accomplishment in the realms of literature, art and science, pride of virile citizenship, and pride of national destiny, are all embraced within the broad sweep of this deep seated and soul stirring movement.

Future generations will look back to 1914 as an epoch marking year in Canada's history if you, in common with all her citizens, will only resolve, from this day forward, to be guided by the motto

"CANADA FIRST"

Electric Service

Means comfort, convenience, economy, and safety. The home that is completely equipped with electrical devices is a happy one.

All the drudgery of housekeeping is eliminated by electricity.

You can wash, iron, sew, sweep, cook, keep cool in summer and warm in winter, by means of electrical apparatus designed especially to relieve you of unnecessary and fatiguing labor.

At our showrooms all these devices are ready for your inspection. Competent demonstrators will operate and explain them for you.
