PORT HOPE, ONT., August 18th 1919

Hon. W. L. M. King
Ottawa, Ont.

Dear Mr King:-

It affords me great pleasure in writing to offer you my congratulations on your being chosen as the leader of the Liberal Party. The little wife and I often predicted that some day you would be Prime Minister of Canada and I sincerely hope that our prophecy will come true. No doubt you will be sorry to hear that the little wife died last October from the Spanish influenza. None though a great deal of you Mr. King, she often spoke about you and I see she has treasured some of your letters you wrote her when we lived in Toronto. I will not take up your time with a long letter, but I would like to say that I hope the Liberal party will do their best to win in this riding at the next election, and I feel sure that if we had some of your best speakers and some real workers that this riding could be carried. If there is anything I can do to help the Liberal Party here, I would be very pleased to do so. I am enclosing small photo of the wife. Wishing you the best of success I remain yours sincerely
