

encouraged by ~~the~~ lectures etc. such ~~as~~ ⁶⁰⁵⁰ ~~lib~~ ^{8.}
 got interference, but ~~the~~ whole population, as
 a barbarous & childlike people regard ~~the~~
 of coercion.

(2) rule of a "just price" - this was a far more
 vital question & a principle more difficult to enforce
 & a matter with contrast between than teaching
 Roman law was not clearly marked,
 by civil law it is naturally permitted to buy
 less & sell for more etc. & "right for each to
 circumvent the other. - This opposed to former
 rule & church bound to take up the subject.
