Dear Mr Purcell, I thank
you very much for
your very kind and
present of one thousand
dollars but still more
for the kind and flattering
terms in which your
letter enclosing it refers
to the long acquaintance
and our good but-
of my dear husband
in the service of his
country. The warm
support you have
a long given him both
in Nova Scotia when
he first made Nova
a acquaintance and since
your return to Ontario
will never be forgotten
