Rt. Hon. Arthur Meighen, Esq., P.C.K.C.,
TORONTO, Ontario.

Dear Mr. Meighen:-

Canada, I believe, by 1935, is to experience such an expansion of trade and commerce that will make the rest of the world amazed. The South American republics and the Pacific will be the principal purchasers of our exports.

I think, therefore, that our Commercial Intelligence Service of the Department of Trade and Commerce will right now be looking for men of experience, maturity, and personality to sell Canada and her products to the peoples of the Seven Seas.

I would like to represent our Country abroad, and feel that I could render her intelligent and loyal service.

I have the honor to know you personally, and am, therefore, enclosing a history sheet covering my family and myself in the hope that you can assist me to get a post abroad as Trade Commissioner. A junior post such as I now hold does not pay enough to enable me to bring up my family without want, and I believe I could hold a senior appointment creditably.

If you would be kind enough to recommend me for such a position, I should be very grateful to you, indeed, and would try to be a credit to your honorable self and to Canada.

Respectfully submitted,

Yours sincerely,

JAMES CARMICHAEL.
