August 16, 1929.

Dear Mr. Evans:

On the assumption that you will receive from Mr. Meighen a favourable response to our invitation to be with us at the Exhibition Directors' luncheon on September 4th, I am sending to you herewith for his attention a copy of the booklet which was prepared in connection with the Golden Jubilee last year. The information which is contained in it I think he will find both interesting and helpful.

Wednesday, September 4th, is known in the Exhibition world as "Agriculturists and Public Utilities Day", but I am sure that any message that Mr. Meighen might bring to us on that occasion would be most acceptable.

With kind regards, I remain

Yours sincerely,

*J. Sweeney*
