Dear Mr. Hunt:

Thanks ever so much for sending me the draft of the proposed Federal Industrial Relations Act. I will study this carefully.

Have finished the book you sent me-- "A Taxan in England." After reading the introduction, the literary style of which I did not like, I was very apprehensive that the book would not please me at all. The very contrary proved to be the case: I enjoyed it immensely. In fact, have rarely had a book that I could stay awake on later.

I am very grateful to Mrs. Hunt and yourself for so kindly sending me this volume.

Yours sincerely,

AM/E.
