27th Nov 86

Sir

Referring to your letter
 No 1102 of the 11th instant enclosing
 a voucher in favor of the Portage
 Milling Co for payment for flour
 delivered by that Company at
 Victoria on the 15th ultimo, I beg
 to inform you that the sample of
 flour which accompanied the voucher
 having been compared with the
 standard, the report has reported
 a failure.

"We would say that there
 is a considerable quantity of dirt
 in the sample. The flour itself
 is"
