25th March, 1920.

Dear Sir,

In further reference to the matter of a clerk for the Sarnia Indian Office, which has been filled temporarily by Miss Jean Lucas whose certificate expires on the 31st instant, I would request that as Miss Lucas appears to have passed the examination as a junior clerk typist, and the clerkship at the Sarnia office is so classified, she be permanently appointed as junior clerk typist as soon as the requirements of the Commission will permit.

I am advising our Agent at Sarnia that Miss Lucas' services will be retained.

Yours truly,

Deputy Superintendent General.

The Secretary,
Civil Service Commission,
Ottawa.
