Ottawa, January 4, 1943.

The Prime Minister to-day received the following telegram from the President of the Canadian National Railways on the occasion of the death of the Right Honourable G. P. Graham:

"News of the death of Senator Graham has been received with deep regret which is shared by all my colleagues of the Canadian National Railways. He had endeared himself to all who knew him and as Minister of Railways he displayed ability and understanding in meeting the many problems that came before him. His passing away removes an old friend of many of us. Please accept this expression of sincere sympathy.

R. C. Vaughan,  
President, Canadian National Railways"
