

A decorative border composed of two vertical wheat stalks. At the top of each stalk is a banner with the word 'INDUSTRY' on the left and 'PROGRESS' on the right. In the center, a winged globe with a banner across it says 'COMMERCE'. At the bottom of each stalk is a banner with the year '1869' on the left and '1911' on the right. The entire design is rendered in a fine-line, engraved style.
