BARGAINS IN PIANOS

For Quick Clearing—Shipped to Any Part of Canada

THIS has been a remarkably busy season in the selling of the well-known Heintzman & Co. Pianos. Large sales of our own instruments mean the taking in exchange large numbers of pianos of others makers. They are crowding our warerooms at every corner, and we must rid ourselves of them. The lot embrace those made by well-known Canadian and foreign manufacturers. Every instrument is carefully overhauled by us and put in first-class condition before being offered for sale—then price is cut down to a mere fraction of the original. The list that follows is a tempting one for those who act quickly:

- (1) Heintzman & Co., Upright Cabinet Grand, 4 feet 10 inches high, 7 1-3 octaves, carved panels, rosewood case, manufacturer's price \$600, now \$3.95. Terms \$15 cash and \$7 a month.
- (2) R. S. Williams Upright Piano, rosewood case, 4 feet 8 inches high, 7 1-3 octaves, carved panels, in A1 condition, manufacturer's price \$375, our price \$225. Terms \$10 cash and \$6 a month.

- (6) J. and C. Fisher, New York, Upright, 4 feet 8 inches high, 7 1-3 octaves, cabinet grand, handsomely carved panels, rosewood case, a beautiful instrument, in first-class condition, original price \$600, our price \$275. Terms \$15 cash and \$7 a month.
- (7) New York Steinway Square, rosewood case, carved legs, thoroughly overhauled, good as new, regular price \$600, our price \$175. Terms \$10 cash and \$6 a month.
- (8) New York Weber Square Piano, rosewood case, 7 octaves, serpentine moulding, carved legs, in elegant condition, regular price \$600, our price \$175, \$10 cash and \$5 a month.

A handsome stool and scarf given free with every piano. Freight paid to any point in Ontario, and special rates for shipments out of the province. A result of these special sales that we have been running lately has been the sending of large numbers of pianos to all points in the Dominion, for people have learned long since that the promises of this house are ever well kept. A clean record of fifty years means something—establishes undoubted confidence.
