D. T. McAINSH, Manager

The Farming World is a paper for farmers and stockmen, devoted to country life in Canada, published on the 1st and 15th of each month, with illustrations.

Subscription Price—One year, strictly in advance, sixty cents; two years, strictly in advance, one dollar.

Postage is prepaid by the publishers for all subscriptions in Canada, the United States and Great Britain. For all other countries in the Postal Union add fifty cents for postage.

Discontinuances—All subscriptions are promptly discontinued when time paid for expires, unless renewed.

The address label of each subscriber's paper shows the date to which paid.

Change of Address—When a change of address is entered, both the old and the new addresses must be given. The notice should be sent one week before the change is to take effect.

Receipts are sent only upon request. The change of date on address label is sufficient acknowledgment of payment. If the change is not made promptly notify us.

How to Remit—Remittances should be sent by postal note or bank draft payable to THE FARMING WORLD. Cash should be sent in registered letters. Post stamps accepted for amounts less than \$1.00.

Advertising Rates on application. Letters should be addressed:

British Connection

Canada's foreign trade is due in some degree to British connection. This, and the quality of goods turned out accounts to a great degree for its continual increase. We note that the Ontario Wind Engine & Pump Co., of Toronto, were favored, just the other day, with an order for two complete airmotor outfits for the Imperial Government in one of the crown colonies of West Africa. This order came entirely unsolicited and is the result of eight years' trade with the Imperial Government in another colony in the Mediterranean which has been entirely satisfactory to the authorities, and no greater compliment is needed to be paid to a company than orders in the face of world-wide competition.

Don't wait to be asked—renew your subscription before it expires.

Enlarging Their Business

Tolton Bros., Limited, of the city of Guelph, Ont., have just completed the purchase of the whole business patterns, etc., and good will of the Emerson Company, of Toronto, Ontario, who have hitherto done a large and prosperous business in Canada in hay carriers, forks and slings, and have gained an enviable reputation in the sling carrier trade.

This will in future be an important department in this already well established and thrifty business, and from other up-to-date improvements in their implements which are now being introduced, together with engaging the
