OUR NO. 8.

It's startling to hear of the work some mowers can do—
At least, so the agents say—
That with two men drawing them they can cut
Right through large cocks of hay.

For a farmer, just think how needful that is;
Why, it is wonderful to relate!
But for a mower to cut your grass,
Just try our Number Eight.

To be sure it is made for horses to draw,
But to use it is a pleasure;
And the farmer with fields of grass to cut,
Will find our Number Eight a treasure.
