\$55,000,000 Of Insurance

is now held in force by The Great-West Life Assurance Company. This is the work of eighteen years, and is a fulfilment indeed of the original belief that the Company's low premium rates and high profit returns to Policyholders would prove a combination irresistible to the insuring public.

Life Agents of experience and ability will do well to look into the opportunities offered by

Actual Results Count

As a tree is known by its fruit, so is a Life Company by the results it produces for its policyholders. And the best proof that a company has made good in that respect is found in the renewal of their confidence by old policyholders. The

MUTUAL LIFE OF CANADA

has many policyholders who not only take out new policies as they can afford to do so, but insure their sons in it just as soon as they attain an insurable age.

A professional man, when acknowledging cheque in settlement of his matured endowment says:—"I am well pleased with my investment, and expect to have insured in your Company in the near future my son for a good amount."
