PRUSSIA AND THE CONFERENCES .- A diplomatic despatch has been published, dated the 7th inst. and signed by the Prime Minister, OF THE ENGINEER.—In whatever part of the Court of Prussia. Prussia accepts the five propositions and is ready to take part in the Paris Conteren es if invited. Prussia engages to procure the acceptance of the Germanic Conederation provided she is specially represented at the Comferences, so as to permit her to follow and appreciate the divers views which may there is not official confirmation of this.

Parliamentary Intelligence. House of Assembly.

TURSDAY, Feb. 26. during the indisposition of the Speaker.

Mr. Annand asked leave to introduce a bill in amendment of Chapter 2 of Revised Statutes, in

of the Statute Law of the Province should not be without very sufficient reason disturbed): from the Hon. Attorney General, who professed that this was the first time he had heard of the st Office was well worked, and agreed with the member for Guysborough that there were already heads of departments enough in the house; from Mr. Annand, who eulogized the Postmaster General's efficiency as such, but insisted that British precedent and practice might be safely followed in this as in other instances; from Mr. A. Archibald, who was of veniently postponed—Bill read a first time.

for the vacating seats in the Assembly. the House, return of persons named as Sheriffs for current year. Also voluminous correspondence, between Imperial and Provincial Government, on the subject of mines and minerals of the province. Also, returns of Pickled Fish, &c.

Committee on the State of the Province. The hon gentleman introduced a resolution affirming the principle of the Ballot, which he proceeded to explain and enforce at some length. After a rather lengthened discussion, in which several members took part, the resolution, on a division, was negatived 23 to 19.

WEDNESDAY, Feb. 27. This day was chiefly spent in receiving petitions. Several bills were read a second time. THURSDAY, Feb. 28. A number of petitions were presented in

favor of the Prohibitory Liquor Law. Dr. Tupper arraigned the Government for permitting so large a portion of this session to pass without presenting any measures for the consideration of the House, and moved that the House go into committee to take up the Elective Council Bill. This being considered equivalent business as usual had been transacted up to that

/ MEMORANDA. Capt. Georga Lewis, of P E Island, who came pas-Capt. George Lewis, of P F Island, who came passenger in the America, reports having passed on the 19th ult, when three days out, a steamer which having no bowsprt and a straight stem, was supposed to be one of the Collins' line. She was standing to the Eastward and appeared to be going very slow. The distance between the two steamers when they based each other was about 12 miles. There is some difference of opin on as to whether the stranger did og did not show her colours in the rigging. There was discourse no apprehensions as to the safety of the Pacific in England, which fully explains why the latter did not after her course ly explains why the latter did not alter her course ascertain the name of the steamer sighted on the which. We are happy to think that there can be no rea-comble don't that the ship thus seen was the missing one, making the best of her way back to a port in either
