#### THE TELEGRAPHIC FESTIVAL.

Seventy gentlemen, scientifically or financially interested in ocean telegraphy, were bidden to dinner by the indefatigable and undaunted Cyrus W. Field, of New York, to celebrate the prosperous i stallation of the Atlantic telegraph Now, in the strict fitness of things, perhaps this Now, in the strict interest of things, perhaps this The Government had the subject under consi- Church question. the Atlantic Ocean, say, midway between Valentia and Heart's Content. There were obvious difficulties in the way, and as Mr. Field's guests could not go to the Atlantic cable, he made the Atlantic cable come to his guests; and by arcould not go to the Atlantic cable, he made the rangements with the different telegraph companies he was enabled to have the wires brought into the very dining-room of the hotel, and after day. bers of Cabinet offices, but the duties of the Seward, were pleasingly characteristic. Mr. Johnson telegraphed his congratulations to the festive assembly, saying, "I wish them all possible access, and that their wires might be multiplied through many seas, and their stakes extended through many lands." Mr. Johnson said nothing about his impeachment, nor did he express his arrivate opinion with regard to Mr. Stanton or private opinion with regard to Mr. Stanton or Mr. Thaddeus Stevens. Mr. Seward was more grandiloquent. "Instead of building a bridge for the tramp of hostile armies across the ocean," builders have stretched a wire beneath it, which effectually exchanges friendly sentiments, symany hostile army tramping over a bridge from Ireland to Newfoundland is, in connection with the neat allusion to the wire under the sea. bringing down antithesis with, perhaps, a very long shot; but Mr. Seward's meaning was no doubt as friendly as his language was cordial. The evening was marked by many episodes as pleasant as this. A letter full of cordial centiments to the United States was read from Mr. Gladstone, who was prevented by his Parliamentary duties from attending the dinner .- Daily

ence, held in Paris, recommended the adoption of a Uniform currency by all nations, upon the basis of the French twenty-five franc piece, the la letter from that place dated Feb. 20, announce British sovereign, and the American half-eagle, ing the death of Gen. Otsman Hashem, who, in basis of the French twenty-five franc piece, the all of which were found to be very nearly equal, try. The letter also speaks of a frightful disr being the fifth part of the above-named coins. tress in Tunis and Algeria from famine. In This recommendation is now before the Congress of the United S ates, and, if adopted there, eaten by starving people. t is to be adopted also in Canada ; in which case the above-numed gold coins, and those of any other nation adopting the same plan, when ef Johnson fairly commenced yesterday, and will Gentlemen :- Several months since a little the standard weight and fineness, shall be a le-

Should the American Congress pass the law referred to, the currency of the whole Dominion will be assimilated to that of Nova Scotia, which is at present just as above described. But would it not have been wing and better the state of the state of the law of the bottom of a shaft in Diamond Mines, at Scranton, Penn., yesterday, killing 12 men.

They leave 11 widows and 28 orphans.

Closed.

A platform, containing seventeen men, fell to the bottom of a shaft in Diamond Mines, at length decided to try a bottle of Dr. Wistar's a length decided to try a bottle of Dr. Wistar t have been wiser and better and more dignified to have adopted that currency at once for to the line of the Paris Monetary Conference without waiting for the action of any other coun-We hope this may be done yet. It may said, we are so closely connected with the States that we cannot adopt a currency without ed on foot to the steamer, and sailed for awaiting their action: but the answer is two old. Nova Scotia has done so, and experienced no difficulty; and it is not, in point of fact, correct that our currency is greenbacks, at a fluctuating value; ours is on a gold basis, and much of the American coinage is subject to a discount here .- Montreal Witness.
