"Kultur" in Belgium

Here is one of the most significant and striking books yet written on the fate of Belgium—for it is the work of a prominent Hungarian journalist, Odon Halasi, who recently spent several months in Belgium.

BELGIUM
Under the German Heel

In this remarkable book the author describes vividly the torture which "Kultur" has inflicted upon Belgium, and the hatred it has aroused. He explains the systematic means by which the Germans try to smother this hatred as well as the national spirit of the Belgians. The experience of each of the principal cities of Belgium, at the time of occupation and during the author's visit, is described. The attitude of the writer of this book illustrates the fear and hatred which the policies of the Germans have inspired in their Austro-Hungarian Allies.

Over 260 pages, cloth bound, illustrated; price \$1.50.

What Advantages Do Total Abstainers

receive from The Manufacturers Life Insurance Company, inquired a prominent temperance worker a few days ago. Our little booklet "Total Abstainers vs. Moderate Drinkers" was placed in his hands for perusal. Our statistics bore out his convictions regarding the longevity of Total Abstainers. We then fully explained our Abstainers' Guaranteed Investment Policy, issued only to Total Abstainers. He became enthusiastic and said, "Write my application for Five Thousand, when I explain this Policy to my son, he will also take out a Policy."

If you are a Total Abstainer, we can demonstrate why we should carry your risk.

A SPECIAL SERVICE

Many men and women reluctantly assume the duties of Treasurer or Trustees of Charitable, Social, Fraternal, Educational, Religious or Civic organizations. The duties while responsible, may not require the full time of a salaried official. There are many advantages in the employment of a Trust Company in such cases: it is permanent, experienced, and responsible; it has unusual facilities for supervision and audit and for the safeguarding of books of record, documents and funds.

Consult us about the many phases of this Special Service.
