

A Peerless Product Seville Orange Marmalade

We have never introduced to the Canadian grocery trade an article that commanded more attention or warranted more searching criticism than

Maconochie's Orange Marmalade

Maconochie's Marmalade is made at one of the most original, complete and scientific factories in the world from Seville Oranges and Sugar—and is undeniably pure.

The motto of the firm is to combine quality and price; to produce a standard article that will create business and pay a good profit.

Ask your jobber to show you the new stone jar to retail at 10 cents. It will be worth your while.
